
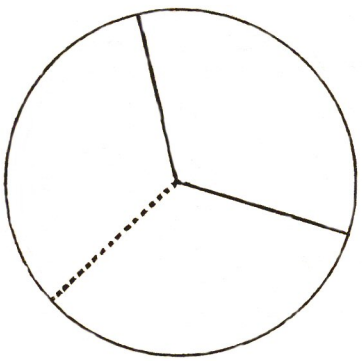
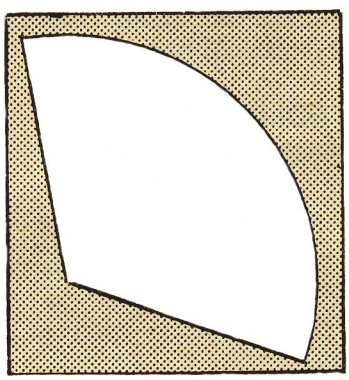
A Pin Cushion for Mother

MATERIALS

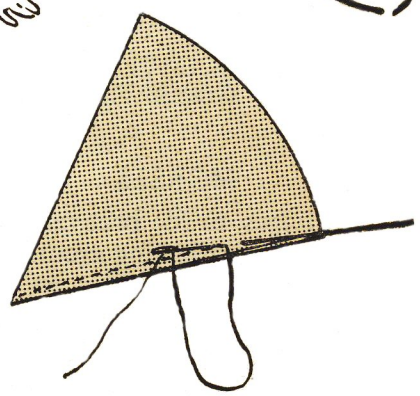
Red cotton cloth	Thread
Cotton	Darning needle
Green yarn	Scissors



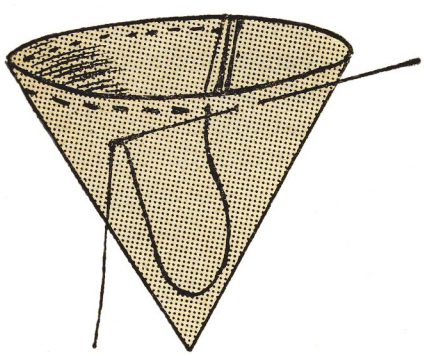
1. To make a paper pattern, cut out a circle 6" in diameter. Divide into thirds. One third of the circle makes the pattern.



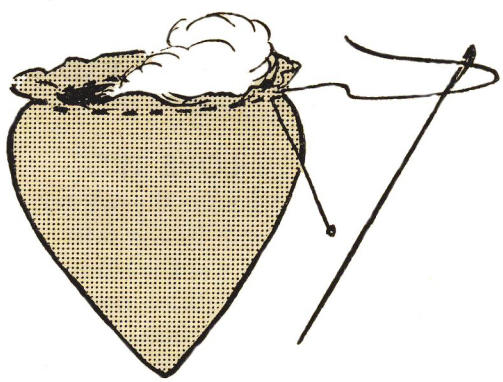
2. Pin the pattern on red cotton cloth and cut around it.



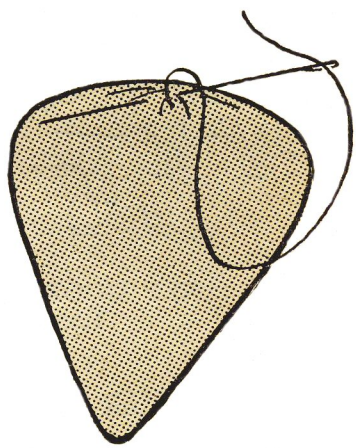
3. Fold and sew with fine stitches along straight edges.



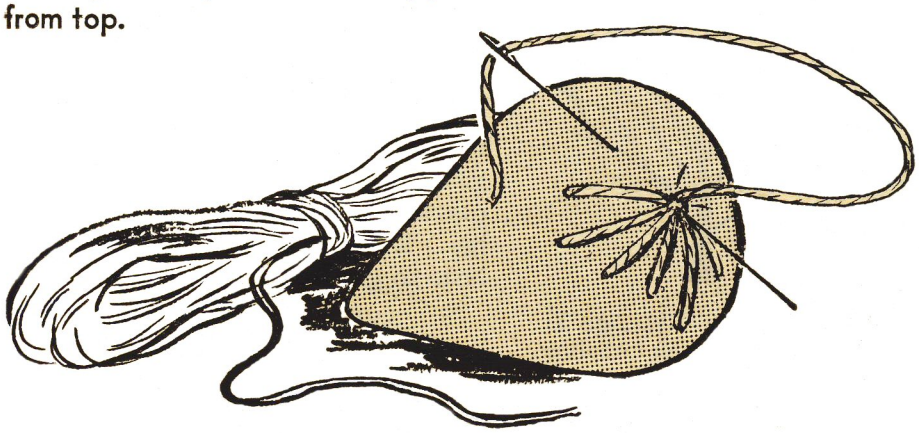
4. Turn so the seam is inside and sew a gathering stitch about 1/4" from top.



5. Fill with cotton.



6. Pull top together. Tuck raw edge of cloth in and fasten thread securely.



7. Make long stitches with green yarn and finish with a loop of yarn in center. Stick pins into pin cushion to simulate the speckled surface of a strawberry.
