1. Existing Conditions

Background studies have been completed by the project team to inventory the environmental resources and better understand existing conditions in the study area. Please review the display panels summarizing the key results from the background studies listed below and let us know if you feel anything important has been missed or if you have any questions or concerns:

<ul style="list-style-type: none"> • Topographic Survey • Gabion Condition Assessment • Hydrology and Hydraulics • Fisheries Assessment 	<ul style="list-style-type: none"> • Terrestrial Ecology • Tree Inventory • Cultural & Natural Heritage • Archaeological Assessment
---	---

2. Evaluation of Alternatives

Four alternatives have been identified and evaluated for the rehabilitation of Applewood Creek. These alternatives include:

- Alternative 1 – Do Nothing (as required under a Municipal Class Environmental Assessment);
- Alternative 2 – Replacing Gabion Baskets with Armourstone;
- Alternative 3 – Replacing Gabion Baskets with Vegetated Roundstone; and
- Alternative 4 – Natural Channel Restoration with Golf Course Improvements

a) **Evaluation Criteria** – Please review the list of criteria below that have been used to evaluate the four alternatives and let us know if you feel anything important has been missed or if you have any questions or concerns.

<p>Physical and Natural Criteria</p> <ul style="list-style-type: none"> • Erosion • Water Quality • Aquatic Habitat • Terrestrial Habitat • Terrestrial Vegetation 	<p>Social and Cultural Criteria</p> <ul style="list-style-type: none"> • Public Safety • Landowner Impacts • Heritage Designation • Archaeology • Aesthetic Value
<p>Technical Criteria</p> <ul style="list-style-type: none"> • Impacts on Existing Infrastructure • Lifespan of Works 	<p>Economic Criteria</p> <ul style="list-style-type: none"> • Capital Costs • Operating and Maintenance Costs • Golf Course Revenue

b) **Preliminary Alternative Evaluation** – Please review the panels for each potential alternative. Do you have any feedback on preliminary scoring of the alternatives or commentary provided by the project team?

c) **Preferred Alternative** – The preliminary scoring of the alternatives by the project team suggests Alternative 4 – Natural Channel Realignment with Golf Course Improvements as the preferred alternative. Do you support this outcome? Why or why not?

3. Additional Comments

Please share any additional comments that you have regarding any aspect of the study.

4. PIC/Information Summary

Was the information provided helpful to you?

Were all your questions answered?

Was the information provided:

too technical about right not detailed enough

Thank you for your comments!

Please return completed forms to the Registration Table. Or if you would like more time, please return by June 21, 2017 to either contact listed below:
