

## NOTICE OF STUDY COMMENCEMENT

### MUNICIPAL CLASS ENVIRONMENTAL ASSESSMENT STUDY BURNHAMTHORPE ROAD WEST IMPROVEMENTS

#### WHAT?

- The City of Mississauga has initiated a study to review the existing and future transportation needs of the Burnhamthorpe Road corridor.
- The study area, as shown on the key plan, includes Burnhamthorpe Road West from Loyalist Drive to the West City Limit including intersections and approaches.

#### WHY?

- The study will consider the City's planning principle to build a multi-modal city, which will support a successful, vibrant and active community with a reliance on a range of transportation modes including walking, cycling, transit and vehicles.

#### HOW?

- The project is being planned under Schedule C of the Municipal Class Environmental Assessment (October 2000, as amended in 2007, 2011 and 2015) process.
- The study will define the problem, identify alternative solutions, analyse, and evaluate each alternative based on the potential impacts to the natural, social and economic environments. In consultation with the public and external agencies, the preferred corridor improvements will be determined.
- At the end of the study, an Environmental Study Report documenting the entire Study process will be available for public review.

#### GET INVOLVED!

- A key component of this study is public and agency consultation.
- Two Public Information Centres (PICs) will be held to present the study progress and obtain public input.
- Public Information Centre details will be advertised closer to the consultation dates under a separate notice.
- To find out more about project announcements and other information please visit the project website:

**[www.mississauga.ca/burnhamthorpe-west-ea](http://www.mississauga.ca/burnhamthorpe-west-ea)**

**WE WANT TO HEAR FROM YOU – PLEASE VISIT THE WEBSITE AND COMPLETE A SURVEY!**

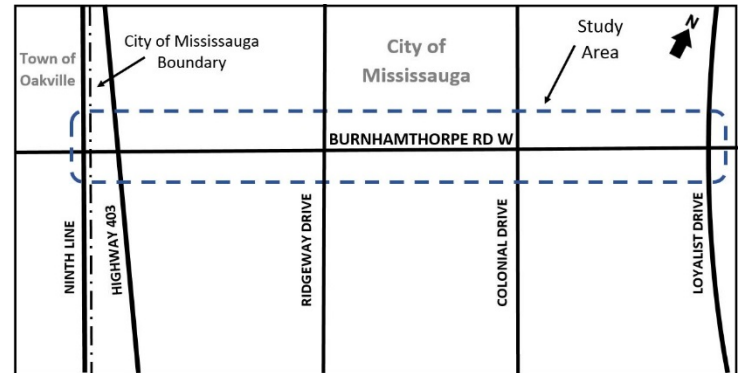

(If you require a hard copy of the survey, please contact the Project Team – see below)

If you have any questions regarding the study, or would like to be included on the project mailing list please contact one of the Project Team members below:

Re: Burnhamthorpe Road West Improvements  
Municipal Class Environmental Assessment Study  
Notice of Study Commencement

Dear XX,

The City of Mississauga has initiated a study to review the existing and future transportation needs of the Burnhamthorpe Road corridor. The study area includes Burnhamthorpe Road West from Loyalist Drive to the West City Limit including intersections and approaches. The study will consider the City's planning principle to build a multi-modal city, which will support a successful, vibrant and active community with a reliance on a range of transportation modes including walking, cycling, transit and vehicles.

The study is being conducted in compliance with Schedule 'C' of the Municipal Class Environmental Assessment (EA) process, which is approved under the Ontario Environmental Assessment Act. The study will define the problem, identify alternative solutions, analyse and evaluate each alternative based on the potential impacts to the natural, social and economic environments. In consultation with the public and external agencies, the preferred corridor improvements will be determined. Public consultation is an integral component of the Municipal Class EA process and opportunities to comment are welcomed throughout the entire study. Consultation activities will be announced at key milestones in the project.

For your convenience, we have provided a Study Reply Form. Please complete this form and return it to Martin Scott at CIMA+. If you wish to provide any comments on this study, we request that your comments be directed to one of the Project Managers on the attached Notice of Study Commencement.

Sincerely,

Dana Glofcheskie, P. Eng.

Hello Dana and Martin,  
I am the property manager for \_\_\_\_\_ south of Burnhamthorpe Rd between

I received a notice regarding the commencement of an environmental assessment study which said to contact you both to be added to the project mailing list. I would like to be added to the mailing list please.

Thank you,

## Jessica Dorgo

I received a notice of study commencement which invited me to participate in a survey.  
The link that was provided takes me to the Burnhamthorpe community centre.  
Could you please direct me to the proper site, so that I can complete the survey?  
Thank you

I received a study notice in the mail and tried to access the project website. All I got was information on community centres.

Is the information and survey not active yet?

Why is Mississauga using a consulting engineering company in Burlington when there must be lots of consulting engineering companies based right here in Mississauga? Spend our tax dollars where we live.
