NOTICE OF COMMENCEMENT AND INTRODUCTORY OPEN HOUSE

? ABOUT THE STUDY

The City of Mississauga has initiated a Schedule C Municipal Class Environmental Assessment (EA) study to assess potential transportation improvements to Ninth Line between Eglinton Ave W and Derry Rd W.

The study will review possible improvements to accommodate the current and future transportation needs of pedestrians, cyclists, transit users and motorists along this corridor. The study will include:

- public, agency and stakeholder consultation
- an evaluation of alternative solutions and alternative designs
- an assessment of the potential environmental effects associated with the proposed improvements and the identification of reasonable means to mitigate any adverse impacts

Project related questions can be directed to Gino.DelaCruz@mississauga.ca

DROP INTO OUR OPEN HOUSE

The Open House will provide information about how the study is being undertaken. You will have the opportunity to provide input on the key issues and concerns along the study corridor and share ideas with the project team.
