Amendment No. XX
To
Mississauga Official Plan Amendment

The following text and map attached constitutes Amendment No. XX.

Also attached but not constituting part of the Amendment are Appendices I and II.

Appendix I is a description of the Public Meeting held in connection with this Amendment.

Appendix II is a copy of the Planning and Building Department report dated XX, XX, 2020, pertaining to this amendment.

PURPOSE

The purpose of this Official Plan Amendment is to amend Special Site 2 in the Malton Neighbourhood Character Area to permit residential uses, not in conjunction with other uses through a site-specific policy to the 'Mixed Use' designation. In addition, it will permit an eighteen storey apartment building with a driveway between the building and street line through site-specific policies to the 'Neighbourhood Character Area' and Special Site policies.

LOCATION

The lands affected by this Amendment are known as 7085 Goreway Drive and are located between Etude Drive and Derry Road East in the Malton Neighbourhood Character Area, as identified in the Mississauga Official Plan.

BASIS

The Mississauga Official Plan came into effect on November 14, 2012, save and except for those policies and land use designations which have been appealed to the Ontario Municipal Board.

The subject lands are designated 'Mixed-Use, Neighbourhood, Special Site 2', which permits residential uses in conjunction with other permitted uses and a maximum height of four storeys. The Special Site 2 policies also state that no parking or driveway areas should be provided between the building and the street line.

The proposed Amendment is to amend the Special Site 2 mapping and policies to include all of the subject lands and allow for the permitted use of exclusively residential uses, not in conjunction with other permitted uses and an increased height of eighteen storeys. It will also allow a driveway between the street line and building. This is to permit the proposed development of an eighteen-storey, 131-unit building, and a sixteen-storey, 114-unit building, in addition to twelve townhouses.

The proposed Official Plan Amendment is appropriate, represents good planning and should be approved for the following reasons:

1. The proposed development is consistent with and promotes the growth management, housing, transportation and natural environment policies of the Provincial Policy Statement, and conforms to the Growth Plan for the Greater Golden Horseshoe and the Region of Peel Official Plan
2. The proposed development conforms to the overall intent, goals, objectives and policies of the Mississauga Official Plan, as it is located on the edge of a commercial area, contributes to a range of housing types, it efficiently utilizes existing community infrastructure, promotes a desirable urban form and protects the natural features of Mimico Creek

Notwithstanding the provisions of Section 16.15.4.2.6, the lands identified as Area A will permit a driveway area between the proposed building and the street line.
