Lottery Licensing Eligibility Application

Step 1

Lottery Licensing Application Checklist

Applying for a lottery licence is a two-step process:

You must apply for eligibility by completing an eligibility application form and providing all current documents outlined in the checklist below. Within 3 weeks of receiving a completed application package, our office will notify if your group is eligibility.

Your organization must be deemed eligible in order to apply for a Lottery Licence.

STEP 1 ELIGIBILITY REQUIREMENTS	
	Eligibility Application – signed by 2 voting board members (President & Treasurer or VP) Original signatures required on pages 1 & 2
	Letters Patent + supplementary Letters Patent (if applicable)
	Revenue Canada Registration Approval Letter
	Constitution / By-laws bearing the date adopted and signatures of three directing officers. Note that provincial gaming regulations require the following: <i>A general dissolution clause (that addresses the winding up of the organization)</i>
	Not-for-Profit Annual Return (4022) <u>if applicable</u> or CRA - T3010 if you are a registered Charity
	General Dissolution Clauses - should the organization dissolve
	Executive Board List - A complete list of your Board/ Executive indicating the title, name, address, telephone number and email for each. Indicate the expiry date of each person's term of the office. Please include Executive Director or CEO
	Financial Year End Statements Full Financial Statements (audited if applicable) for the past 2 years including all sources of income and all expenses, signed by President and Treasurer
	Budget - Current Year
	Programs and Services – provide a list of charitable programs and services associated with your organization's mandate

You will be notified by the Charity Gaming office whether or not eligibility has been approved within 3 weeks. Approved organizations are required to complete the following 4 requirements.

	Open a Designated Lottery Trust Account or Designated Business Account depending on the licence or permit you are applying for. Our office will provide you with the details.
	Alcohol and Gaming Commission of Ontario requires an additional Dissolution Clause regarding lottery funds or assets purchased using lottery funds. If the organization should dissolve provides for the distribution of the organization's assets and property held or acquired from the proceeds of licensed lottery events (i.e., lottery trust accounts or property purchased with lottery proceeds) to charitable organizations that are eligible to receive lottery proceeds in Ontario, approved by the licensing authority. If your organization is approved you will be required to update your Constitution and or By-Laws to include this clause. Ontario Lottery Gaming has Policies and Standards which speaks to assets and property acquired from the proceeds of a lottery event permitted under OLG.
	Proposed use of lottery proceeds (please be specific – allowable expenses are restricted and must be spent on items related to your organization's programs and services that provide a direct charitable benefit to the community).
