

# NOTICE OF PUBLIC INFORMATION CENTRE

## Municipal Class Environmental Assessment for the Extension of Living Arts Drive

### WHAT?

- The City of Mississauga is studying the need to extend Living Arts Drive, from Rathburn Road West to Centre View Drive, as part of a study called a Municipal Class Environmental Assessment (EA).

### WHY?

- To provide alternative routes to, from, and within downtown Mississauga.
- To support the creation of smaller, urban-scale blocks and a fine-grained street grid in downtown Mississauga.
- To support “multi-modal” transportation by providing additional pedestrian and bicycle connections, as well as access to existing and planned transit.
- To provide a new north-south multi-modal connection between Rathburn Road West and Centre View Drive.

### HOW?

- The study is examining how traffic operates on nearby roadways both now, and in the future. Opportunities to improve the capacity of roadways and intersections within the study area, as well as accommodate future land uses, were explored as part of this study.
- Alternative Solutions have been developed and evaluated against a broad range of criteria, related to topics such as transportation, land use, and the natural and cultural environments.
- The entire study process will be documented within a Project File, which will be available for public review at the end of the study.

### WHERE?

### GET INVOLVED!

## YOU ARE INVITED TO ATTEND A PUBLIC INFORMATION CENTRE

**Date:** Thursday October 5, 2017

**Time:** 5:30 – 7:30 pm

**Location:** The Great Hall, Mississauga City Hall  
300 City Centre Drive, Mississauga

- Consultation is an important part of the Municipal Class EA process. The City is engaging various agencies and members of the community, and considers their opinions as part of any decisions that are made.
- The Public Information Centre (PIC) is being held so that attendees can review study progress, and discuss any questions or comments with the study team directly.
- The PIC will present information on the study area, the evaluation of alternatives, the preliminary preferred solution, and upcoming study activities.

If you have any questions or comments regarding the study, or wish to be removed from the study mailing list, please contact the study email address ([LivingArtsEA@stantec.com](mailto:LivingArtsEA@stantec.com)) or one of the following study team members:

**Dana Glofcheskie, P.Eng.**  
Project Manager  
City of Mississauga  
201 City Centre Dr, Suite 800  
Mississauga, ON L5B 2T4  
(905) 615-3200, ext. 8243

**Travis Brown, PMP**  
Consultant Project Manager  
Stantec Consulting Ltd.  
300W – 675 Cochrane Dr  
Markham, ON L3R 0B8  
(905) 944-6866

Please provide any comments by October 26, 2017.

The study is being undertaken in accordance with the planning and design process for Schedule ‘B’ projects, as outlined in the Municipal Class Environmental Assessment” document (October 2000, amended in 2015), which is approved under the Ontario *Environmental Assessment Act*.

#### Notice of Collection of Personal Information:

Personal information is collected under the authority of the Environmental Assessment Act and will be used in the assessment process. With exception of personal information, all comments shall become part of the public records. Questions about this collection should be directed to the Project Manager listed above.
