In accordance with Article 1.2.2.3 of Division C, Ontario Building Code, the owner hereby warrants that a professional engineer will be retained to undertake the general review of the project during demolition, where:

- (a) the building exceeds 3 storeys in building height or 600 sm (6460 sq ft) in building area;
- (b) the building structure includes pre-tensioned or post-tensioned members,
- (c) it is proposed that the demolition will extend below the level of the footings of any adjacent building and occurs within the angle of repose of the soil, drawn from the bottom of such footings,
- (d) explosives or a laser are to be used during the course of demolition.

Signature of Owner	Print Name	Title or Position
Company Name		Telephone
Address		Postal Code

IMPORTANT: where any retained professional engineer ceases to provide the general review of the building during construction as required herein, another professional engineer shall be retained immediately so that the general review as described above will continue uninterrupted, and the registered owner shall forthwith, in writing advise of such termination and submit the name of the new professional engineer to the Chief Building Official of the City of Mississauga.

Every person who furnishes false information in any permit application under the Building Code Act or in any statement required to be furnished under the act or by-law passed pursuant to the Ontario Building Code, is, on conviction, liable to a fine or imprisonment or both.

The information contained herein will be used to process your application. Questions concerning this collection should be directed to: **The Clerk, City of Mississauga, 300 City Centre Drive, Mississauga, Ontario, L5B 3C1 Telephone: 896-5421**
