GROSS FLOOR AREA NON-RESIDENTIAL DECLARATION

Defined Terms	
Gross Floor Area (GFA) <i>(as defined in Zoning By-law 225-2007)</i>	means the sum of the areas of each storey of a building, structure or part thereof, above or below established grade, excluding storage below established grade and a parking structure above or below established grade, measured from the exterior of outside walls, or from the mid-point of common walls.
Gross Floor Area – Non Residential <i>(as defined in Zoning By-law 225-2007)</i>	means the sum of the areas of each storey above or below established grade , measured from the exteriors of outside walls, or from the mid-point of common walls , including the area of any floor system or assembly located within a storey which is designed or used for access and passage by persons, and including all parts of the building or structure or part thereof below established grade used for retail, office , industrial or warehouse uses , but excluding the following: <ul style="list-style-type: none"> (1) Any part of the building, structure or part thereof used for mechanical floor area; (2) Areas of stairwells, washrooms or elevators; (3) any enclosed area used for the collection or storage of disposable or recyclable waste generated within the building or structure or part thereof; (4) any part of the building, structure or part thereof below established grade used for motor vehicle parking or the provision of loading spaces; (5) any part of the building, structure or part thereof below established grade used for storage incidental to other uses in the building, structure or part thereof or provided and reserved for the personal needs of the occupants of the building including lunch rooms, lounges or fitness rooms (6) accessory outdoor tank.
Total Floor Area <i>(as defined in Development Charges By-law)</i>	means the aggregate of the areas of each floor and/or mezzanine above or below established grade, measured between the exterior of outside walls, including all parts of the building below established grade developed for non-residential use, but excluding the following: <ul style="list-style-type: none"> (1) any enclosed area used for climate control, electrical, energy generation and distribution, or mechanical equipment related to the operation or maintenance of the building; (2) areas of stairwells, washrooms, elevators or walkways/catwalks used exclusively for the maintenance of and/or access to mechanical equipment related to the operation or maintenance of the building; (3) any enclosed area devoted to the collection or storage of disposable or recyclable waste generated within the building; (4) any part of the building or structure above or below established grade, but not including a commercial parking garage, used exclusively for the temporary parking of motor vehicles or the provision of loading space(s) where such loading space(s) are required by the City's Zoning By-law; and (5) the area of any self-contained structural shelf and rack storage facility approved by the Building Materials Evaluation Commission; and (6) where a building or structure does not have any wall, the total floor area shall be the sum total of the area of land directly beneath the building or structure and the total areas of any floors and mezzanines in the building or structure, not already included in the sum total.
Worship Area <i>(as defined in Zoning By-law 225-2007)</i>	means the sum of the areas, whether above or below established grade, measured between the inside of walls of a sanctuary, hall or meeting room, that a religious group, organization or denomination utilizes for the observance of its religious services, including any balcony or area from which the religious services conducted in the sanctuary, hall or meeting room can be observed, or area that can be opened on a temporary basis to a sanctuary, hall or meeting room by the removal or opening of any walls or partitions, and any pulpit, altar area, choir or musicians area, but excluding any vestibule.

* Definitions for **bolded** terms can be found at: [Zoning By-law 225-2007 Definitions](#) or www.mississauga.ca/zoningbylaw Section 1.2

NOTE:
The **Total Floor Area** and the **Gross Floor Area – Non Residential** calculations are different. **Total Floor Area** includes below grade storage and areas used for the personal needs of the occupants of the building.
