

Before contacting us, please have a look at our help and “how to” resources that are available at www.mississauga.ca/eplanshelp

In order for us to assist you quicker, please ensure you include the following information in your email:

- Project number
- Project address
- Your name and phone number
- A brief description of what you are trying to do or issue you are having
- A screen shot of any error message you may have received

Emails can be sent to eplans.techsupport@mississauga.ca

Or call: 905 615 4311
