PAUL COFFEY PARK MASTER PLAN

The City of Mississauga is preparing a Master Plan for Paul Coffey Park (formerly Wildwood Park). We want to make Paul Coffey Park a popular Malton destination, a community treasure as well as a place where people want to be. The Master Plan is scheduled to be completed at the end of 2017/early 2018.

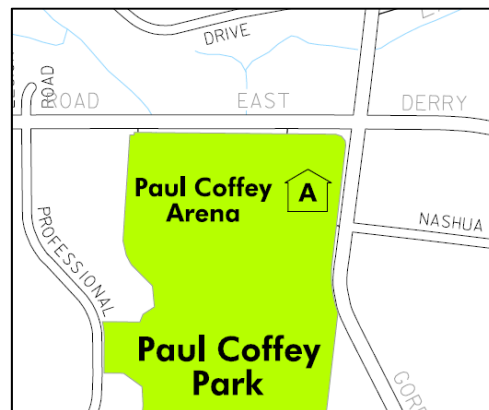

This will allow:

- provide additional recreational opportunities;
- restore some existing park features;
- improve safety; and
- enhance the landscape.

Currently, we're gathering ideas, thoughts and suggestions from the community to shape a common vision for the park.

A public information session is happening on **Tuesday, June 6, 2017** from 7 to 9 p.m at **Paul Coffey Arena** (formerly Malton Arena) located at 3430 Derry Rd E, Mississauga. Please see map for meeting location.

Anyone interested in learning more about the project is welcome to attend.
