2015-16 Season

 **MISSISSAUGA**

After the tremendous success of our Meadowvale Theatre Presents last year, we have crafted our 2015-2016 season in accordance with the strength and conviction of our strategic plan as well as feedback from so many of you who have come and enjoyed the bountiful theatrical offerings we have in our creative space.

Our diverse programming allows individuals to expand their creative and educational experiences, interact with history, learn about traditions around the world, and recall the songs they grew up with.

Enjoy the music of Amanda Martinez, experience the moving production of THE WORLD OF ANNE FRANK, hear riveting tales of AFRICVILLE with musical icons Joe Sealy and Jackie Richardson and, relive your youth with ROCK AROUND THE CLOCK!

Join us in celebrating our full range of professional and community events. Share our excitement with family and friends!

We look forward to seeing you at Meadowvale Theatre.
