COVID-19 Golf Course Protocols

Revised: July 22, 2020

The health and safety of our golfers and team members is our number one priority, therefore we are operating under a number of strict safety precautions, and with limited services.

The following protocols have been developed to reduce the risk of transmission of COVID-19 among our golfers and team members. We have been working closely with the golf industry to implement best practices for physical distancing to ensure the safety of everyone on our properties.

With our COVID-19 safety protocols in place there are a few things that we'll be doing differently, and we'd like you to be aware of these prior to your first game.

Please familiarize yourself with these protocols prior to arriving at our golf facilities. It is essential that golfers take these policies and precautions seriously to support a safe and healthy experience for everyone.

Safety Precautions

- Effective July 10, City Council has approved a by-law that requires face coverings be worn in all indoor public spaces (including pro shops and washrooms) in Mississauga to help prevent the spread of COVID-19. People with disabilities or other medical conditions that prevent them from wearing a face covering will not be required to wear one.
- Physical distancing of 2 meters (6 feet) is required
- Ensure you wash or sanitize your hands upon arrival and often throughout your day
- Our clubhouses are closed with the exception of pro-shop check-in and washrooms, with limited capacity
- Surfaces, touch points, doors, carts and washrooms will be cleaned and disinfected frequently
- Payment by debit or credit cards recommended
- Plexiglas barriers are in place at point of sale locations
- Employees will have appropriate training and protective equipment for their work environment
