

DRAFT STRATEGIES AND ACTIONS: PLANNING

Deliverables for this project include two stand-alone documents - the Natural Heritage & Urban Forest Strategy (NH&UFS) and the Urban Forest Management Plan (UFMP). The Strategies are from the NH&UFS, while the supporting Actions are from the UFMP.

STRATEGY #6: Strengthen Official Plan policies related to the urban forest

STRATEGY #7: Update Residential Woodlands mapping and expand site plan control areas to include this mapping

STRATEGY #8: Strengthen existing by-laws to improve their ability to support natural heritage and urban forest objectives

- Action #12: Update Public Tree Protection by-law
- Action #13: Update Erosion Control by-law and the Nuisance Weeds by-law
- Action #14: Update the Private Tree Protection by-law

STRATEGY #9: Develop selected policies and guidelines that apply outside of, but will support, the Natural Heritage System and the urban forest
