

Proposed Changes to the City of Mississauga's Parks Bylaw

Residents are invited to a public consultation meeting to learn about and provide input to proposed changes to the Parks Bylaw 186-05 and how changes may impact leash-free zones in Mississauga.

When: March 19, 2014
7:00 to 9:00 p.m.

Where: Civic Centre, 300 City Centre Drive, Committee Room A (Second Floor)

Who: City of Mississauga Parks & Forestry and Animal Services staff will be on hand to introduce proposed bylaw changes and hear comments and concerns.

What: The City of Mississauga routinely reviews its programs and services to ensure that they continue to meet community needs and expectations, specifically as they relate to public and animal safety. Proposed changes to the Parks bylaw may impact how Leash-Free Mississauga members use the 7 leash free parks throughout the city.

Some changes under consideration include limiting the number of dogs per person in the leash-free zone, setting an age limit for child access and hours of operation.

Why: Leash Free Mississauga member and resident input is important. Feedback from members and the community will be used evaluate the proposed changes and prepare a recommendation to Council to be presented later this spring.
