# #MississaugaMade.

**Mississauga Made** is an online initiative inspired to support and promote local Mississauga products, businesses, artists, stories, activities and experiences within our community.

The Mississauga Made marketplace is a **FREE** promotional advertising opportunity for all locally-based businesses. As we start to reopen and rebuild our neighbourhoods we encourage our residents to stand together and support locally-based businesses, services and talents in our community.

Our goal for Mississauga Made is to create a centralized hub for all things Mississauga Made, so residents, visitors or fellow businesses alike can start to **Shop Local. Source Local & Support Local.**
