NOTICE OF PUBLIC INFORMATION CENTRE #1

Municipal Class Environmental Assessment Study for Creditview Road

THE STUDY:

The City of Mississauga is conducting a Class Environmental Assessment (Class EA) Study 'Schedule C', including preliminary design for the section of Creditview Road from Bancroft Drive to Old Creditview Road. The Class Environmental Assessment for Improvements to the Creditview Road Bridge over the Credit River was approved in January 2013. As such, the Credit River bridge structure is not considered as part of this Class EA study.

Within the study area, Creditview Road consists of a mixed two-lane urban and rural cross section with a posted speed limit of 60 km/hr. As per the City's Official Plan, Creditview Road, within the study area is considered a Major Collector road with a right-of-way (R.O.W.) of 30 m. The study area includes a bridge over Highway 401 at the north end, greenbelt, businesses and a mix of low to medium density residential areas.

This study is being undertaken to investigate the need for additional north-south capacity and traffic management improvements along this section of Creditview Road, taking into consideration the road's identification as a part of the City's cultural heritage landscape. The study also considers the future Active Transportation corridor, including a future multi-use trail with connections to other neighbourhoods.

The Study will be conducted in accordance with the planning and design process for 'Schedule C' projects, as outlined in the Municipal Engineers Association "Municipal Class Environmental Assessment," (October 2000, as amended in 2011), which is approved under the *Ontario Environmental Assessment Act*.

PUBLIC CONSULTATION:

Public consultation is a vital component of the Class EA process. Public Information Centre (PIC) #1 is being held to receive your input, comments and concerns on the study. The PIC will have an open house format where information about the project and the preliminary planning alternatives will be displayed. Representatives from the City of Mississauga and the project consulting team will be available to answer questions and discuss the details of the study.

The PIC will be held as follows:

- Date:** Monday February 10, 2014
- Time:** 5:30 p.m. to 8:00 p.m.
- Location:** Vic Johnston Community Centre, Streetsville Hall
335 Church Street, Streetsville, ON L5M 1N1
