How to Make a Donation to SCARF

Donations can be made at the shelter, by mail, email or online at mypetmississauga.ca.

Thank you for your generosity.

Mississauga Animal Services is in your community every day responding to emergencies involving abandoned pets and wildlife. Many of these unwanted animals become sick or injured while they are wandering the streets. Donations made to SCARF assist us with the financial burden of caring for critically injured dogs and cats that need life saving surgeries.

Hundreds of pregnant cats, litters of kittens and orphaned kittens crowd our foster homes and shelter. Orphaned kittens require a specialized diet and bottle feeding every three hours. Your donation allows us to purchase foster supplies like medications, specialized diet food and milk supplements to make sure the orphaned kittens have a fighting chance at life.
