OFFICE OF THE MAYOR

January 20th, 2015

Re: Mayor's Salary

Dear Members of Council:

Let me begin by acknowledging the hard work Council and staff have already undertaken to develop the City of Mississauga's 2015 Budget.

We are moving forward with a budget plan that respects taxpayers' hard-earned money, while at same time safeguards investments for important City priorities – from our extensive MiWay public transit network to our popular community centres.

As part of the City of Mississauga's effort to find continued savings and to safeguard funding for the things Mississaugans value most, I am writing to inform you that I have chosen to freeze my salary at the current 2014 rate, for the remainder of this four-year Council term. I am asking for your support for me to forgo the automatic economic adjustment contained in the Council remuneration by-law – at the upcoming Monday January 26th, 2015, budget committee meeting.

I am truly honoured to have been entrusted with the mandate to serve as Mayor of Mississauga, and I believe that finding savings during these 2015 budget consultations, means leading by example – and it starts with me.

I look forward to continue working alongside all Members of Council to achieve important results for the people of our great City.

Warmest Regards,

Bonnie Crombie
