To: The Mayor and Members of Council

Subject of Petition:

Request a public apology from Mayor Bonnie Crombie at council on October 14th, 2015.

We, the undersigned, hereby submit this petition for Council's consideration for the purpose of:
Our objection to the offensive comments made by Mayor Bonnie Crombie in the City Council meeting of September 21st, 2015. We found the Mayor's remark to be inflammatory, leading to accusations that the residents of Meadowvale had a racist purpose or similar hidden agenda. Mayor Crombie's actions ignited an issue that was not present. Mayor Crombie has a history of making such egregious claims as evidenced in a mayoral election debate published on YouTube on October 14th 2014, Bonnie Crombie is quoted as stating, "and anybody who says it doesn't fit with the character of the neighbourhood is a racist and I stand with you and we're gonna fix the parking problem".

We, the undersigned residents of Meadowvale strongly object to being labeled as such. We find any implication of bigotry or 'racism' from any elected official to be reprehensible and irresponsible. "Mayor Crombie's comments, implying that anyone disagreeing with her is a 'racist', are offensive and circumvent the foundation of the democratic process, one where open and intelligent dialogue is encouraged. We strongly oppose any form of racial intolerance as outlined in the Canadian Charter of Rights and Freedoms

We the residents of Meadowvale call upon Mayor Crombie to withdraw her comments and to issue a public apology to the community that she has slandered.

Request a public apology from Mayor Bonnie Crombie at council on October 14th, 2015.

We, the undersigned, hereby submit this petition for Council's consideration for the purpose of:
Our objection to the offensive comments made by Mayor Bonnie Crombie in the City Council meeting of September 21st, 2015. We found the Mayor's remark to be inflammatory, leading to accusations that the residents of Meadowvale had a racist purpose or similar hidden agenda. Mayor Crombie's actions ignited an issue that was not present. Mayor Crombie has a history of making such egregious claims as evidenced in a mayoral election debate published on YouTube on October 14th 2014, Bonnie Crombie is quoted as stating, "and anybody who says it doesn't fit with the character of the neighbourhood is a racist and I stand with you and we're gonna fix the parking problem".

We, the undersigned residents of Meadowvale strongly object to being labeled as such. We find any implication of bigotry or 'racism' from any elected official to be reprehensible and irresponsible. "Mayor Crombie's comments, implying that anyone disagreeing with her is a 'racist', are offensive and circumvent the foundation of the democratic process, one where open and intelligent dialogue is encouraged. We strongly oppose any form of racial intolerance as outlined in the Canadian Charter of Rights and Freedoms

We the residents of Meadowvale call upon Mayor Crombie to withdraw her comments and to issue a public apology to the community that she has slandered.

Mayor Crombie's actions ignited an issue that was not present. Mayor Crombie has a history of making such egregious claims as evidenced in a mayoral election debate published on YouTube on October 14th 2014, Bonnie Crombie is quoted as stating, "and anybody who says it doesn't fit with the character of the neighbourhood is a racist and I stand with you and we're gonna fix the parking problem".

We, the undersigned residents of Meadowvale strongly object to being labeled as such. We find any implication of bigotry or 'racism' from any elected official to be reprehensible and irresponsible. "Mayor Crombie's comments, implying that anyone disagreeing with her is a 'racist', are offensive and circumvent the foundation of the democratic process, one where open and intelligent dialogue is encouraged. We strongly oppose any form of racial intolerance as outlined in the Canadian Charter of Rights and Freedoms

We the residents of Meadowvale call upon Mayor Crombie to withdraw her comments and to issue a public apology to the community that she has slandered.

Mayor Crombie has a history of making such egregious claims as evidenced in a mayoral election debate published on YouTube on October 14th 2014, Bonnie Crombie is quoted as stating, "and anybody who says it doesn't fit with the character of the neighbourhood is a racist and I stand with you and we're gonna fix the parking problem".

We, the undersigned residents of Meadowvale strongly object to being labeled as such. We find any implication of bigotry or 'racism' from any elected official to be reprehensible and irresponsible. "Mayor Crombie's comments, implying that anyone disagreeing with her is a 'racist', are offensive and circumvent the foundation of the democratic process, one where open and intelligent dialogue is encouraged. We strongly oppose any form of racial intolerance as outlined in the Canadian Charter of Rights and Freedoms

We the residents of Meadowvale call upon Mayor Crombie to withdraw her comments and to issue a public apology to the community that she has slandered.
