<p>Date: November 17, 2015</p> <p>To: Mayor and Members of Council</p> <p>From: Gary Kent, Commissioner of Corporate Services and Chief Financial Officer</p>	<div data-bbox="755 331 1052 436" data-label="Text"> <p><i>COUNCIL AGENDA</i></p> <p><b>DEC 09 2015</b></p> </div> <p>Originator's files:</p> <hr/> <p>Meeting date:</p> <p>December 9, 2015</p>
---	--

## Subject

Tax Adjustments Pursuant to Sections 357 and 358 of the *Municipal Act*.

## Recommendation

That the tax adjustments outlined in Appendix 1 attached to the report dated November 17, 2015 from the Commissioner of Corporate Services and Chief Financial Officer for applications for cancellation or refund of taxes pursuant to Sections 357 and 358 of the *Municipal Act*, be adopted.

## Background

Sections 357 and 358 of the *Municipal Act*, 2001, S.O. 2001, c.25 allow a property owner or the Treasurer to make an application for the cancellation, reduction or refund of taxes for a number of specific reasons. Taxes may be adjusted when a building has been demolished or razed by fire or if a property has become exempt, changed class or has been overcharged by reason of gross or manifest error.

## Comments

A total of 24 applications for tax adjustments have been prepared for Council's consideration. The total cancellation or refund of taxes as recommended is \$45,970.23. Appendix 1 outlines the tax cancellations being recommended by property and summarizes by appeal reason the number of applications and tax dollars recommended for reduction.

## Financial Impact

The City's portion of the cancellations resulting from the Section 357 and 358 tax adjustments is \$10,903.47.

## Conclusion

Tax appeals for 2013, 2014 and 2015 taxation years are listed in Appendix 1. The *Municipal Act* requires Council to approve the tax adjustments.

## Subject

Traffic By-law No. 555-2000, as amended, Schedule 15 (Lane Designation)

## Recommendation

That a by-law be enacted to amend Schedule 15 of Traffic By-law 555-2000, as amended, in accordance with the review of lane designations completed by the Transportation and Works Department.

## Background

The Transportation and Works Department is currently in the process of revising and updating Schedule 15 (Lane Designation) of Traffic By-law 555-2000, as amended. This is necessary in order to remove any discrepancies found in the By-law.

## Comments

The proposed amendments are housekeeping in nature to ensure the By-law reflects the signage and lane designations currently existing on-street.

A review of Schedule 15 (Lane Designations) has been recently completed and the appropriate By-law amendments have been prepared (see Appendix 1).

## Financial Impact

Costs for the sign installation can be accommodated in the 2015 Current Budget.

## Subject

Development Charge Information for Places of Religious Assembly

## Recommendation

That the report dated November 27, 2015, entitled "*Development Charge Information for Places of Religious Assembly*" from the Commissioner of Corporate Services and Chief Financial Officer be received for information.

## Report Highlights

- This report has been prepared in response to the November 25, 2015 Council motion 0266-2015 requesting information on development charges (DC) paid for Places of Religious Assembly (PRA).
- From 2000 to 2015 the City has collected approximately \$1.2 million in development charges for the construction and expansion of PRA in Mississauga with a construction value of \$72.3 million.
- The Region of Peel exempted a total worship area of 188.7 thousand square feet in the past fifteen years, foregoing DC revenue of \$690 thousand dollars.
- Had the City provided an exemption of 188.7 thousand square feet, DC revenues collected by the City would have been \$414.5 thousand dollars less
- Approximately 12.4 thousand square feet of renovations made in the last 15 years were alterations made to PRA that did not attract the payment of DCs.
- Council may approve a grant in an amount equal to the development charges paid. Any such grants would be funded through tax.
- Staff expect the DC By-law to be reviewed next in 2017, in response to Bill 73.

8.3(a)

## Background

Following the deputation by Eddie Joubran from St. Mary's Anchiochian Orthodox Church in Mississauga, Council approved a motion (0266-2015) at the November 25, 2015 Council meeting "That staff report back on December 9, 2015 on benchmarking what other municipalities do in regards to Development Charges on places of religious assembly including the previous 15 year history of Development Charges paid by places of religious assembly in Mississauga, including renovations and additions; the number of places of religious assembly constructed prior to the 1997 Development Charges By-law; and further that staff report on the implications if places of religious assembly paid DCs only on space outside the worship area."

St. Mary's Anchiochian Orthodox Church request of a refund for the payment of development charges is limited to the City's portion (\$197K) of the \$489K paid on September 8, 2015. Council's consideration of a refund is restricted to the City of Mississauga's 2014 DC By-law as the other DC By-laws are approved by other agencies.

Development charges are collected for the purposes of constructing new growth related capital infrastructure. It is an important revenue source in funding capital programs contained in the City's Business Plan and Budget document.

## Comments

This report has been prepared to provide the information requested by Council in motion 0266-2015.

### History of Development for Places of Worship in Mississauga (15 years)

Council motion 0266-2015 requested information for the history of development charges paid by PRA for the past fifteen years, including renovations and additions to existing PRAs. Since the year 2000, approximately \$1.2 million has been paid in development charges for the City's portion of the charge. This amount has been collected on the construction of 455,778.55 sq. ft. with a prescribed construction value of \$72.3 million. Interior renovations and alterations do not require the payment of development charges. Table 1 provides a summary of the DC revenues collected by the various agencies' DC by-laws.

*Table 1. Summary of DC Revenues Collected by Various Agencies' DC By-Laws*

Permit Type	Sum of Prescribed Construction Value \$	Total Sq.Ft.	Region Exempted for Worship Area Sq. Ft.	Region Development Charges \$	Regions Exemption \$	City Development Charges Paid \$	Value if City Issued Exemption \$
Additions	\$ 285,000	2,492.08	320.77	\$ 17,762.82	\$ -	\$ 9,966.48	\$ 647.55
Places of Religious Assembly	\$ 66,108,000	440,914.43	118,401.42	\$ 1,259,119.35	\$690,027.44	\$ 1,142,871.78	\$413,867.42
Renovations/ Alterations	\$ 5,935,000	12,372.03	-	\$ -	\$ -	\$ -	\$ -
Grand Total	\$ 72,328,000	455,778.55	118,722.18	\$ 1,276,882.17	\$690,027.44	\$ 1,152,838.26	\$414,514.98

Renovations/ Alterations	\$ -	\$ -	\$ -	\$ -
Grand Total	\$89,278.74	\$122,410.44	\$118,987.00	\$ 616,937.35

Appendix 1 in this report provides a detailed breakdown for each PRA and any applicable DC revenues that were paid to the various agencies.

#### **History of Development for Places of Worship in Mississauga Prior to the Year 2000**

Council also requested the number of PRA that were constructed prior to the 1997 DC By-law.

The Province approved the first Development Charges Act in 1989, with a transition period from the municipal lot-levy regime to the new DC by-law regime. The City's first DC by-law was approved by Council in 1991. The Province then initiated a review of the 1989 DC Act and approved a new DC Act in 1997. Similar to the first Act, a transition period was provided and the City adopted a new DC By-law in 1999 under the new Act.

For the purposes of a fulsome review staff has gathered the number of permits for PRAs issued prior to the year 2000 (see table 2, below):

**Table 2. Summary of Building Permits Issued for PRAs prior to the year 2000**

Type	Lot Levy Regime						Development Charges Regime									Grand Total
	1985	1986	1987	1988	1989	1990	1991	1992	1993	1994	1995	1996	1997	1998	1999	
Addition								1								1
Demolition		2														2
New				1	1	2	3		5	3	3	2	3	2	3	28
Renovation/ Alternations		1		2	1	1	3	2	5	4	3	9	5	5	5	46
Unknown	3	4	5	5	2									4	1	24
Grand Total	3	7	5	8	4	3	6	3	10	7	6	11	8	11	9	101

Appendix 2 provides a detailed breakdown of the information available prior to the year 2000. Development charge revenues are not available from the MAX system in those cases where the PRA paid DCs/Lot Levies through a non-residential installment plan (these are noted in the comment section in Appendix 2).

### Comparison of Municipal DC Policies for Places of Religious Assembly (PRA)

Legislation allows municipal councils to adopt additional exemptions in their DC By-laws with the requirement that any exemptions provided beyond the legislation must be funded from other sources of revenue, such as from the tax base.

Mississauga's 2014 DC By-law imposes development charges on all non-residential construction, regardless of the building's function. The only exemptions provided for in the City's DC By-law are those exemptions that are required under the *Development Charges Act, 1997*.

Many municipalities provide some type of DC exemption for places of religious assembly. Each municipality determines the exemption area somewhat differently. Of the municipalities benchmarked, each municipality requires development charges to be paid on a portion of the building that is beyond the defined area of worship. Table 3 provides information on how surrounding municipalities have established development charges for PRAs.

**Table 3. Municipal DC Policies for Places of Religious Assembly (PRA)**

Municipality	DC By-law Exemptions provided	Exemption Area Description
City of Brampton	Yes	Exempts land, building or structures used for the purposes of a Place of Worship, <u>excluding</u> that portion of the land, building or structure used for the purposes of private schools, banquet halls, supportive housing, major daycare facilities, or retail or commercial.
City of Ottawa	Yes	Development charges shall not be imposed on every place of worship and the land used in connection therewith, other than the charge for public transit where a place of worship is defined to be that part of the building or structure that is exempt from taxation as a place of worship under the <i>Assessment Act</i> .
City of Toronto	Yes	Development charges shall not be imposed on land or buildings to the extent that the place of worship is exempt from taxation as a place of worship under the <i>Assessment Act</i> .
Region of Peel	Yes	The Region has always provided an exemption for places of worship. In the 2012 DC By-law, the Region restricted its exemption to the current practice which provides an exemption for that portion of the building or structure, limited to not more than one room, owned by a religious organization which is reserved for the conduct of group worship, services or rites within the facility.
Town of Caledon	On a Case-by-Case Basis	Council by resolution may waive the payment of DCs in whole or in part with respect to land developed for institutional use. Places of worship are considered institutional uses under Caledon's definition.
Town of Milton	Yes	The portion of the land or building used for religious purposes is exempt from development charges, such as that portion which is owned and used for the same purposes which is exempt from taxation under the <i>Assessment Act</i> . Any areas within the place of religious assembly such as gift shops or meeting rooms are required to payment development charges.

Municipality	DC By-law Exemptions provided	Exemption Area Description
Town of Oakville	Yes	Development charges are not imposed on the "area of worship" but are applicable to the remaining place of worship.
York Region	Yes	Development charges shall not be imposed in respect of the gross floor area of a place of worship to a maximum of 5,000 square feet (or 464.5 square metres) or in respect of that portion of the gross floor area of a place of worship which is used as an area for worship, whichever is greater.

### Process

The DC By-law cannot be amended without going through the full public consultation process. Staff expects the next review to be in 2017 depending on the progress and final state of Bill 73.

Council may choose to approve a grant in an amount equal to the development charges paid. Any such grants would be funded through tax, under the authority of Section 107 of the *Municipal Act, 2001*.

## Financial Impact

The City has collected approximately \$1.2M in DC revenues from the construction and additions of PRAs over the past fifteen years. Had the City provided an exemption for the area of worship within a PRA, DC revenues would have been reduced by \$414.5K.

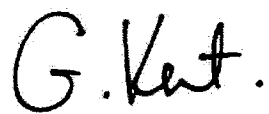

## Conclusion

Many municipalities provide some type of DC exemption for places of religious assembly. Mississauga imposes DCs on all non-residential construction, regardless of the building's function. The only exemptions provided for in the City's DC By-law are those exemptions that are required under the *Development Charges Act, 1997*.

8.3(4)

REPORT 6-2015

TO: MAYOR AND MEMBERS OF COUNCIL

The Budget Committee presents its sixth report for 2015 and recommends:

BC-0049-2015

That the deputation by Andrew Grantham, Economist, CIBC World Markets with respect to 2016 economic predictions and the economic outlook for Canada, Ontario, and the Greater Toronto Area, be received.

BC-0050-2015

That the deputation by Jeffrey J. Jackson, Director of Finance and Treasurer with respect to the 2016 Budget Overview, be received.

BC-0051-2015

That the 2016 Budget Engagement Results report dated November 16, 2015 from the Commissioner of Corporate Services and Chief Financial Officer be received for information.

BC-0052-2015

That the deputation by Helen Noehammer, Director, Transportation & Infrastructure Planning with respect to the Stormwater Program Budget, be received.

BC-0053-2015

That the deputation by Chris Mackie, MIRANET with respect to the 2016 budget overview and the stormwater program budget, be received.

BC-0054-2015

That the following service area presentations presented to the Budget Committee on November 23 & 24, 2015, be received:

- a) Mississauga Fire & Emergency Services
- b) Recreation

BC-0055-2015

1. That the Arena Rental Rates from May 1, 2016 through to April 30, 2017 be increased as outlined in Appendix 1 of the Corporate Report dated November 12, 2015 from the Commissioner of Community Services entitled, "Recreation - Arena Rental Rates - Supplementary Report".
2. That all necessary bylaws be enacted.

BC-0056-2015

That the deputation by Axil Breuer, MIRANET with respect to Mississauga Fire & Emergency Services, be received.

REPORT 7-2015

COUNCIL AGENDA

DEC 09 2015

TO: MAYOR AND MEMBERS OF COUNCIL

The Budget Committee presents its seventh report for 2015 and recommends:

BC-0057-2015

That the following service area presentations presented to the Budget Committee on November 30, December 1 & 2, 2015, be received:

- a) Mississauga Library
- b) Parks & Forestry
- c) Facilities and Property Management
- d) Information Technology
- e) Roads
- f) MiWay
- g) Arts and Culture
- h) Environment
- i) Business Services

BC-0058-2015

That the deputations by Chris Mackie, resident on November 30, 2015 with respect to City parks, be received.

BC-0059-2015

That the deputation by Chris Mackie, resident on December 1, 2015 with respect to MiWay, be received.

BC-0060-2015

That the deputation by Dragan Stojkovic, resident on December 1, 2015 with respect to MiWay, be received.

BC-0061-2015

That the deputation by David Fisher, resident on December 1, 2015 with respect to MiWay, be received.

BC-0062-2015

That remaining unspent funds in each Councillors' budget at year end be transferred to their next year's budget during their four year term of Council.

## BC-0063-2015

That the nine full-time contract positions identified in Appendix 1 of the Corporate Report dated October 29, 2015 from the Commissioner of Corporate Services and Chief Financial Officer entitled 2016 Conversion of Full-Time Contract Positions to Permanent Status, be converted to full-time permanent positions at a cost of \$132,929 as incorporated in the recommended 2016 Operating Budget.

## BC-0064-2015

That the report dated November 20, 2015 from the City Manager and Chief Administrative Officer regarding the report entitled "Update on Service Review Report" be received.

## BC-0065-2015

That the report dated November 20, 2015 entitled "Municipal Act Reporting Requirements Under Ontario Regulation 284/09" from the Commissioner of Corporate Services and Chief Financial Officer be received for information.

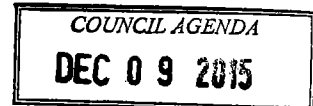

## BC-0066-2015

1. That Council approve the 2016 Budget as set out in:

- a) 2016-2018 Business Plan & 2016 Budget Sections E through W with adjustments noted under 1.b) and including the following tables:
  - i) Listing of Projects for Multi-Year Funding (E-Appendix 2D)
  - ii) Details of Total Changes to Maintain Current Service Levels Including Prior Year's Budget Decisions
  - iii) Proposed New Initiatives and New Revenues
  - iv) Proposed 2016 Capital Budget Detail
  - v) 2016 Reserves and Reserve Fund Transfers (W-Appendix 1)
- b) That the following adjustments to the 2016-2018 Business Plan & 2016 Budget be approved:
  - i) That budget request 2121 Community Grant Program Expansion, \$100,000 be removed from the 2016 budget. In 2016 a policy is to be created for this new grant and can be funded from the Reserve for Contingency if required. Once the policy is approved, the funding can be incorporated into the 2017 budget for grants to be distributed
  - ii) That budget request 2051 Communications Support for Canada's 150<sup>th</sup> Anniversary Celebrations, one contract FTE, be funded from the capital budget instead of the operating budget

- 
2. That Council approve any necessary 2016 budget re-allocations of service initiatives to ensure that costs are allocated to the appropriate service area with no net change to the 2016 operating levy.
  3. That the 2016 property tax levy be approved at \$433,266,668 including:
    - a) Infrastructure and Debt Repayment Levy increase in the amount of \$8,257,882
    - b) Emerald Ash Borer Levy, included in the base budget, in the amount of \$5,600,000
    - c) University of Toronto Mississauga Special Levy, included in the base budget, in the amount of \$1,000,000
    - d) The establishment of the necessary Reserve Funds and transfers
  4. That the property tax levy be adjusted to reflect growth as calculated on the 2015 assessment roll returned by the Municipal Property Assessment Corporation for purposes of 2016 taxation.
  5. That following the incorporation of adjustments approved by Budget Committee, the number of Full Time Equivalent (FTE) positions in 2016 be 5,272.4 .
  6. That a 1.75% economic adjustment for eligible non-union employees be implemented effective April 1, 2016 with normal job rate progression.
  7. In regards to the Stormwater Program, that Council approve the 2016 Budget as set out in:
    - a) Stormwater Program 2016-2018 Business Plan & 2016 Budget and including the following appendices:
      - i) Appendix 1 – Listing of Budget Requests
      - ii) Appendix 2 – Proposed Operating Budgets
      - iii) Appendix 3 – 2016 Capital Projects
      - iv) Appendix 4 – Summary of Full Time Equivalent
      - v) Appendix 5 – Multi-year Funded Capital Projects
      - vi) Appendix 6 – Summary of Reserve and Reserve Fund Transfers
  8. That the 2016 Stormwater Charge operating budget be approved at \$33,046,000 including:
    - a) Debt Repayment budget in the amount of \$812,000 in respect of the Cooksville Creek Pond;
    - b) The establishment of the necessary Reserve and Reserve Funds.
  9. That following the incorporation of adjustments approved by Budget Committee, the number of Full Time Equivalent (FTE) positions funded by the Stormwater Charge in 2016 be 23.4 .

REPORT 18 - 2015

TO: THE MAYOR & MEMBERS OF COUNCIL

General Committee of Council presents its eighteenth Report of 2015 and recommends:

GC-0716-2015

That the deputation by Bob Topping, Consultant with respect to the City of Mississauga – 2015 Accessibility Design Standards, be received.

GC-0717-2015

1. That the report of the Commissioner of Corporate Services and Chief Financial Officer dated November 17, 2015 and entitled "City of Mississauga – 2015 Facility Accessibility Design Standards" be received for information.
2. That the City of Mississauga – 2015 Facility Accessibility Design Standards as attached in Appendix 1 be endorsed by Council as the City's resource on best practices for universal facility accessibility design.

GC-718-2015

That the deputation by Diana Simpson, Accessibility Coordinator with respect to the Mississauga Accessibility Video, be received.

GC-719-2015

That the deputation by Murray Etherington, Chair, Canadian Association of Retired Persons (CARP) Mississauga Chapter, be received.

GC-0720-2015

That the deputation by Frank Stenardo and Bob Harrick, Mississauga Seniors Council with respect to the MiWay Seniors One Dollar Cash Fare Off-Peak Pilot Program, be received.

GC-0721-2015

1. That the report entitled "MiWay Senior's One Dollar Cash Fare Off-Peak Pilot Program" to General Committee dated November 19, 2015 from the Commissioner of Transportation and Works be received for information;
2. That the MiWay Senior's One Dollar Cash Fare Off-Peak Pilot Program be extended to the end of February, 2016.

## GC-0722-2015

1. That Council endorse the expansion of the Provincial Greenbelt Plan Area, by requesting that the Province of Ontario designate City-owned and Credit Valley Conservation-owned parcels along the Credit River as Urban River Valley (URV), as outlined in the report titled "Expansion of the Provincial Greenbelt Plan Area" dated November 10, 2015 from the Commissioner of Community Services.
2. That Council request the Region of Peel to include the designation of two Region-owned parcels of land located to the Northwest of Britannia Rd. W. and Old Creditview Rd. as URV lands (Land Registry Pins 132030420, 132030438).
3. That Council request the Region of Peel to forward the request to the Province of Ontario for designation of all the parcels identified in this report as Urban River Valley (URV) lands as established in the 2008 guidelines for growing the Provincial Greenbelt.
4. That Council requests the Province of Ontario to consider designating provincially-owned properties along the Credit River within Mississauga as URV lands, as outlined in this report.

## GC-0723-2015

That the request for an Exemption to the Animal Care and Control By-law 0098-04, as amended, to permit the keeping of budgies, chickens, dogs, ducks, peacocks, pheasants, pigeons, rabbits and roosters at 2681 Mississauga Road, be denied, as outlined in the report from the Commissioner of Transportation and Works, dated November 18, 2015 and entitled "Request for an Exemption to the Animal Care and Control By-law 0098-04, as amended, for the Keeping of Budgies, Chickens, Dogs, Ducks, Peacocks, Pheasants, Pigeons, Rabbits and Roosters, 2681 Mississauga Road, Ward 8".

## GC-0724-2015

1. That an all-way stop control be implemented at the intersection of Mineola Road East and Crossfield Bend;
  2. That the necessary by-law be enacted.
- (Ward 1)

## GC-0725-2015

1. That an all-way stop control be implemented at the intersection of John Watt Boulevard and Baskerville Run;
  2. That the necessary by-law be enacted.
- (Ward 11)

## GC-0726-2015

That a by-law be enacted to amend The Traffic By-law 555-00, as amended, to implement a thirty (30) minute parking limit on the east side of Semenyk Court from a point 46 metres (151 feet) south of Central Parkway West to a point 13 metres (43 feet) southerly thereof.

## GC-0727-2015

That a by-law be enacted to amend The Traffic By-law 555-00, as amended, to implement lower driveway boulevard parking between the curb and sidewalk, at any time on the north, east and west side (outer circle) of Black Walnut Trail.

## GC-0728-2015

That a by-law be enacted to amend The Traffic By-law 555-00, as amended, to remove the existing school bus loading zone on Ellengale Drive located from a point 35 metres (115 feet) north of Chada Avenue (north intersection) to a point 75 metres (246 feet) southerly thereof.

## GC-0729-2015

1. That the City of Mississauga assume the municipal works as constructed by the developer under the terms of the Servicing Agreement for CD.06.FER, Fernbrook Homes (Burnhamthorpe) Limited, (lands located south of Highway 403, east of Hurontario Street, north of Burnhamthorpe Road East and west of Central Parkway Drive), in Z-28 and that the Letter of Credit in the amount of \$97,087.02 be returned to the developer.

CD.06.FER (Ward 4)

2. That the City of Mississauga assume the municipal works as constructed by the developer under the terms of the Servicing Agreement for H-OZ 04/003, Fernbrook Homes (Burnhamthorpe) Limited, (lands located south of Highway 403, east of Hurontario Street, north of Burnhamthorpe Road East and west of Central Parkway Drive), in Z-28 and that the Letter of Credit in the amount of \$165,338.18 be returned to the developer.

H-OZ 04/003 (Ward 4)

3. That the City of Mississauga assume the municipal works as constructed by the developer under the terms of the Servicing Agreement for H-OZ 07/005, F.S. Port Credit Development Limited, (lands located south of the Queen Elizabeth Way, east of Hurontario Street, north of Lakeshore Road East and west of Cawthra Road), in Z-07 and that the Letter of Credit in the amount of \$75,477.75 be returned to the developer.

H-OZ 07/005 (Ward 1)

## GC-0730-2015

1. That a by-law be enacted to authorize the Commissioner of Transportation and Works and the City Clerk to execute and affix the corporate seal on behalf of the The Corporation of the City of Mississauga to the Street Lighting Operations and Maintenance Service Agreement, and any ancillary document or future amendments, with the Regional Municipality of Peel in a form satisfactory to the City Solicitor.
2. That a copy of the subject report be forwarded to the Region of Peel for information.

## GC-0731-2015

1. That Enersource Power Services Inc. (EPS) and Enersource Corporation (EC) be designated as single source vendor for the provision of street lighting services for an initial 5-year term from January 1, 2016 to December 31, 2020 with the option to renew for a further 5-year term from January 1, 2021 to December 31, 2025.
2. That the Purchasing Agent be authorized to execute an agreement with EPS and EC for the provision of street lighting services including:
  - a) Operation and maintenance services in the estimated amount of \$8,500,000 (excluding tax) based on an initial 5-year term from January 1, 2016 to December 31, 2020 subject to annual budget approval by Council.
  - b) Capital services in the estimated amount of \$4,895,000.00 (excluding tax) for various street lighting projects (including Design and Engineering Services, Capital Programs and Special Services) based on an initial 5-year term from January 1, 2016 to December 31, 2020 subject to annual budget approval by Council.
3. That the Purchasing Agent be authorized to negotiate and execute amendments to the agreement for operation services and capital services where necessary to accommodate growth, inflation and extraordinary adjustments for which funding is approved in the budget.

## GC-0732-2015

1. That a by-law be enacted authorizing the closure of part of public road on Beechwood Avenue, south of Lakeshore Road East, west of Cawthra Road containing an area approximately 766 square metres (8,245 square feet), legally described as Unnamed Street, Plan C19, between Lots 11 and 12, on a Plan of Subdivision of Lot 11, Conc. 3, South of Dundas Street deposited at the Land Registry Office for the Land Titles Division of Peel (No. 43) as Plan C19, in the City of Mississauga, Regional Municipality of Peel, in Ward 1.
2. That the City lands described as Unnamed Street, Plan C19, between Lots 11 and 12, Plan C19, be declared surplus to the City's requirements.
3. That Realty Services staff be authorized to proceed to dispose of the subject lands to be declared surplus, at fair market value.
4. That all steps necessary to comply with the requirements of Section 2.(1) of City Notice By-law 215-08 be taken, including giving notice to the public by posting a notice on the City of Mississauga's website for a two week period, whereby the expiry of the two week period will be at least one week prior to the execution of an agreement for the sale of the subject lands under Delegated Authority.

## GC-0733-2015

1. That the updated City Standards for IT Systems as listed in Appendix 1 of the report dated November 10, 2015 from the Commissioner of Corporate Services and Chief Financial Officer entitled City Standards for IT Systems and Acquisition of Support and Maintenance Services for Standard Systems, be approved.
2. That the Purchasing Agent be authorized to negotiate and execute agreements to cover 2016 annual support and maintenance for City Standard IT Systems which have been approved as Standards as set out in Appendices 1 and 2 attached to this report, where the estimated cost may exceed \$100,000.

## GC-0734-2015

1. That the "2015 Third Quarter Financial Update" report dated November 18, 2015, from the Commissioner of Corporate Services and Chief Financial Officer, including appendices 1 to 3, be approved.
2. That up to \$88,616 of the year-end surplus be approved for transfer to the Operating Budget Reserve (Account #305145).
3. That the necessary by-laws be enacted.

## GC-0735-2015

1. That Rule 1 of the Council Code of Conduct (the "Code"), as set out in Appendix 1, be amended by removing subsections a., c. and h, placing them under the general heading of "Key Principles that Underlie the Code of Conduct" and re-lettering the remaining subsections of Rule 1, so that the Code to the end of Rule 1 reads as set out in Appendix 2.
2. That similar amendments be made to the Codes of Conduct for members of Local Boards.  
(GOV-0020-2015)

## GC-0736-2015

1. That an off-site strategic session takes place in the first quarter of 2016 for members of Council to consider what it might take to become recognized as a leader in municipal governance and commit to taking the steps necessary to achieve that goal.
2. That a retreat planning subcommittee of Governance Committee be established and that Councillor Saito, Councillor Ras, Councillor Tovey, Sandy Milakovic and John Magill be appointed to the subcommittee.

(GOV-0021-2015)

## GC-0737-2015

WHEREAS there is currently a prohibition against Councillors resigning their Council seat to take a seat at federal and provincial levels of governments only; and

WHEREAS City of Mississauga Councillors are currently entitled to receive severance pay even if of their own choosing they resign their Council seat prior to the conclusion of that term of Council;

BE IT THEREFORE RESOLVED that the City of Mississauga shall not pay severance to an elected or appointed office holder if that person is elected or appointed to another office at any level of government, including another municipality, or if choosing to return to paid employment for an organization or business before his/her term of office with the City is completed; AND

That the necessary by-laws be enacted.  
(GOV-0022-2015)

GC-0738-2015

That the Corporate Report entitled "Elected Official Expense Policy information report" dated November 3, 2015 from the Commissioner of Corporate Services and Chief Financial Officer, be received and that the matter regarding the definition of teams be referred to staff for review and report back to Governance Committee.  
(GOV-0023-2015)

GC-0739-2015

1. That the Corporate Report dated August 25, 2015 from the Director, Legislative Services and City Clerk entitled 2014 Municipal Election, 2015 Municipal By-Election Review and technology options of future Municipal Elections be received.
2. That the Ministry of Municipal Affairs and Housing be requested to do the following:
  - a. Address concerns related to the accuracy of the Voters' List with the Municipal Property Assessment Corporation and that the Ministry insist on a lower acceptable margin of error with respect to the Voters' List.
  - b. Specify the parameters for the administration of internet voting in the *Municipal Elections Act, 1996*.
3. That staff be requested to prepare amendments to the City of Mississauga's Records Retention By-law 537/96 to align with section 88 of the *Municipal Elections Act, 1996*.

(GOV-0024-2015)

GC-0740-2015

That the Report dated October 30, 2015, from the Director of Legislative Services and City Clerk providing an update on the financial and administrative impact of Ranked Choice Voting, be received for information.

(GOV-0025-2015)

GC-0741-2015

That the memorandum dated November 6, 2015 from the Legislative Coordinator with respect to the 2016 Governance Committee Meeting Dates be received for information.

(GOV-0026-2015)

GC-0742-2015

1. That the report from the Commissioner of Transportation and Works, dated October 14, 2015 and entitled "Consultant's Review of the Taxi Plate Issuance Model", be received;
2. That the Public Vehicle Advisory Committee consider Appendix 1 to the report from the Commissioner of Transportation and Works, dated October 14, 2015 and entitled "Consultant's Review of the Taxi Plate Issuance Model", when Council has approved a framework to address the regulation of transportation network companies.

(PVAC-0044-2015)

GC-0743-2015

That the memorandum dated October 23, 2015 from the Legislative Coordinator with respect to Recommendation PVAC-0042-2015, be received.

(PVAC-0045-2015)

2. That all necessary By-laws be enacted.

GC-0793-2015

That the education session by Julius Lindsay, Community Energy Specialist with respect to climate change, be received.

November 18<sup>th</sup>, 2015

To: Karen Ras,  
City of Mississauga Councillor Ward 2

Attached is a petition signed by over 200 of our neighbours who are opposed to the new storm water charge being added to our water bills starting in 2016. As I mentioned previously, the number of signatures we could obtain is only limited by time since 99% of the residents we approached were anxious to make their views of this charge known to the City.

As I previously mentioned to you, my husband, I and a neighbour, talked to a lot of residents in our area and found that most were very upset with being asked to pay more of what they (and we) see as just another tax when we are all paying ever increasing taxes already. We explained to them that this has already been voted on last May and we don't stand much of a chance to get this rescinded, but in all fairness we think we should be granted the right of a rebate of part of this charge the same as commercial property owners will be able to do. The fact that at least one of your fellow councillors feels this would be too costly just doesn't cut it. There is no valid reason that residential homeowners should be made to subsidize commercial property owners. So many of those we spoke to at their front doors are retired people living on their pensions the same as we do and are fed up with being asked to shoulder yet another "tax", especially when they realize we are not entitled to any rebate for making any required changes to keep the rainwater off our roofs from the storm water system.

Karen, on behalf of all of the residents who have signed our petition, we are looking to you as our councillor to speak up for us and try to at least obtain the right to be eligible for some kind of rebate the same as commercial property owners are entitled to if they modify their properties to prevent the rainwater from reaching Mississauga's storm sewer system.

Thank you for any help you can give us and please keep in touch to let us know how this issue is going to be resolved.

# PETITION TO IMPLEMENT A RESIDENTIAL STORMWATER CREDIT PROGRAM

We, the undersigned, property owners in Mississauga, specifically Ward 2, draw to the attention of Mississauga City Council and Senior Staff, to the following:

THAT after researching the new Stormwater Charge, we firmly believe that this is a new and unfair tax on residents who already pay more than their fair share of taxes. In addition, the City is doing very little to educate residents on the Stormwater Charge or encourage residents to make necessary changes to help improve the local stormwater systems in their area.

Although we would like to see this "tax" removed entirely, we recognize that may not be feasible. Regardless, we the undersigned firmly believe that there should be a credit program available (as there are other jurisdictions) if your property has, for example, a stormwater ditch, a rain garden or permeable pavement.

THEREFORE, we call on City Council to implement a Residential Stormwater Credit Program in Mississauga.

# PETITION TO IMPLEMENT A RESIDENTIAL STORMWATER CREDIT PROGRAM

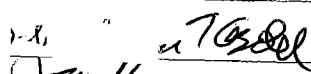

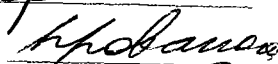

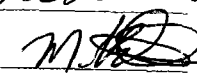

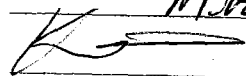

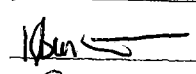

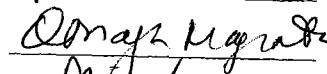

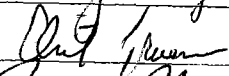

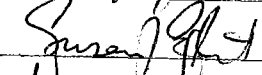

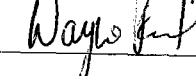

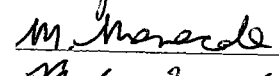

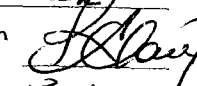

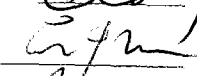

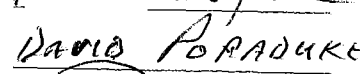

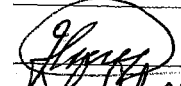

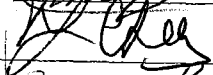

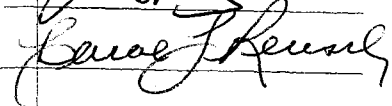

11.1(b)

We, the undersigned, property owners in Mississauga, specifically Ward 2, draw to the attention of Mississauga City Council and Senior Staff, to the following:

THAT after researching the new Stormwater Charge, we firmly believe that this is a new and unfair tax on residents who already pay more than their fair share of taxes. In addition, the City is doing very little to educate residents on the Stormwater Charge or encourage residents to make necessary changes to help improve the local stormwater systems in their area.

Although we would like to see this "tax" removed entirely, we recognize that may not be feasible. Regardless, we the undersigned firmly believe that there should be a credit program available (as there are in other jurisdictions) if your property has, for example, a stormwater ditch, a rain garden or permeable pavement.

THEREFORE, we call on City Council to implement a Residential Stormwater Credit Program in Mississauga.

Environmental Action Committee

To the Mayors of the Great Lakes and St. Lawrence Cities Initiative

Dear GLSLCI Mayors:

One of the greatest challenges we face globally and in the Great Lakes and St. Lawrence Region is climate change, and what it can do to our resources and our cities. We have been working on several fronts to adapt to the changes already occurring, especially by making our infrastructure more resilient to extreme weather. The Board of Directors has decided to move forward as an organization on another important front, namely mitigation of the problem by reducing greenhouse gas emissions (GHG) from our cities. We are asking you and your city to join in this effort formally. Eight of our member cities have done so already, and an additional 20 have plans to reduce GHG emissions.

Former Mayor Michael Bloomberg of New York City, who serves as a Special Envoy for Cities and Climate Change for the Secretary-General of the United Nations, has asked us to join the Compact of Mayors and make a formal commitment to reduce greenhouse gas emissions from our cities. The idea behind the Compact is to demonstrate local government leadership in addressing this problem. To join the Compact, simply complete and email the attached template letter of intent. The following steps need to be taken within the next three years:

1. Register and make a commitment
2. Assess the current situation
3. Create reduction targets and establish a system of measurement
4. Establish an action plan
5. Report on progress annually

More information on what is involved in making the commitment can be found at <http://www.compactofmayors.org/resources/#tab-complete>

There is an effort underway to move quickly to get more cities participating in the Compact before the UN Conference of the Parties (COP 21) in early December to demonstrate local leadership. We fully realize this is a very short time and that many of you will need to work with council and others, but if at all possible, please consider taking this step before November 30, 2015. If you have questions about this, please contact Dave Ullrich at 312-201-4516.

12.1.1(a)

## Commit

Any city or town in the world may commit to the Compact of Mayors—regardless of size or location. A city has up to three years to meet a series of requirements and fully comply, culminating in the creation of a full climate action and adaptation plan. Many cities have already completed some of the phases and/or will be compliant in fewer than three years.

Download the full guide to compliance for the Compact of Mayors.

12.1.1(b)

To position cities as true climate leaders and to demonstrate that local action can have a significant global impact, the Compact of Mayors' participants engage in a multi-phase process to fight climate change.

Phase 1

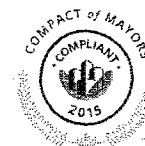

Phase 2

Phase 3

Phase 4

Compliant

Upon completing the Compact of Mayors' compliance process, a city will be eligible to receive a "Compliant" badge on an annual

12.1.1(c)

basis to signify their commitment and progress.

# SITUATION ANALYSIS

**Cities around the world are already acting**—many in very significant ways—to reduce emissions and adapt to climate change, but their progress too often goes unrecognized and is not measured or reported consistently. Sharing the impact of these current efforts and catalyzing new action is imperative, in part because a new climate change agreement will soon be negotiated in Paris.

In Paris in December 2015, the United Nations will hold its 21st annual Conference of the Parties (COP 21), with the aim of achieving a universal agreement on climate among nation states.

**Real momentum can occur only when nations and cities collaborate.**

**Cities have an enormous opportunity** to make even more of an impact. The potential impact of cities taking climate action in three sectors alone—buildings, transportation and waste—would make an impact greater than the total emissions of the United States and the 28 member states of the European Union combined.

# WHAT IS THE COMPACT OF MAYORS?

The Compact of Mayors is a global coalition of mayors and city officials committing to reduce local greenhouse gas emissions, enhance resilience to climate change and track their progress publicly. It is an agreement by city networks – and then by their members – to fight climate change in a consistent and complimentary manner to national efforts.

- The Compact collects the significant climate action data that cities are already reporting in a consistent, transparent manner and makes that data available in a single place.
- The Compact builds on existing cooperative efforts, partnering with other initiatives to better measure and communicate the impact of city action.
- The Compact represents the greatest opportunity to bring attention to, and quantify, city action, both in the lead-up to Paris and beyond.

# THE HISTORY OF THE COMPACT OF MAYORS

The Compact of Mayors was launched at the 2014 United Nations Climate Summit. It was formed by:

- UN Secretary-General Ban Ki-moon
- Michael R. Bloomberg, U.N. Secretary-General's Special Envoy for Cities and Climate Change
- ICLEI-Local Governments for Sustainability (ICLEI)
- C40 Cities Climate Leadership Group (C40)
- United Cities and Local Governments (UCLG)
- United Nations Human Settlements Programme (UN-Habitat)

The Compact of Mayors was formally signed into action in September 2014 with a statement that read in part:

"The Compact of Mayors is an agreement by city networks—and then by their members—to undertake a transparent and supportive approach to reduce city-level emissions, to reduce vulnerability and to enhance resilience to climate change, in a consistent and complimentary manner to national level climate protection efforts. The Compact of Mayors builds on the ongoing efforts of Mayors that increasingly set ambitious, voluntary city climate commitments or targets for greenhouse gas (GHG) emissions reduction and to address climate risk; report on progress towards achieving those targets by meeting robust, rigorous and consistent reporting standards (as established through City Networks); and make that information publically available by reporting through a recognized city platform."

# WHY COMMIT TO THE COMPACT OF MAYORS?

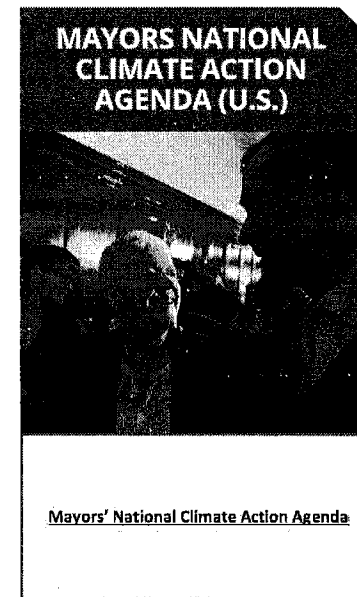

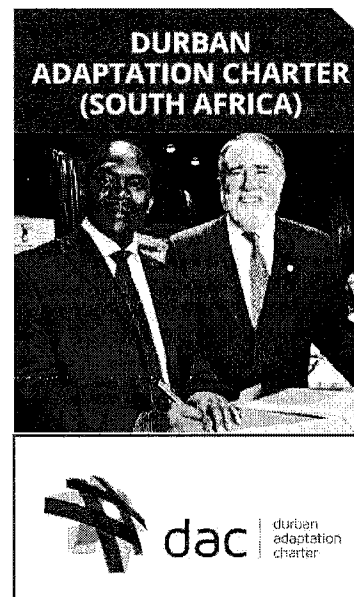

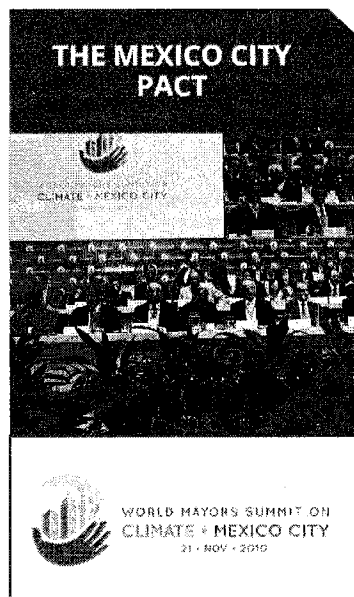

Compact of Mayors benefits:

- New and widespread recognition of innovative and impactful city action already underway for years
- Platform to demonstrate commitment to be part of the global solution
- Consistent, standardized and reliable assessment of city impact and progress toward meeting commitments
- Evidence of the greenhouse gas impact of city action
- Increased investor confidence and capital flows into cities
- Mechanism for national governments to recognize and resource local commitments

# EXISTING CLIMATE GOALS SUPPORTED BY COMPACT OF MAYORS

The Compact of Mayors recognizes many existing initiatives to gather the impact of efforts already underway. The following are just a few of the major climate initiatives that complement and are in alignment with the Compact of Mayors' requirements:

(2.1.1(i))

## WHAT MAKES THE COMPACT OF MAYORS UNIQUE?

**BUILDS ON INITIATIVES FOR GREATER IMPACT AND RECOGNITION:** The Compact is the broadest coalition to unite cities, networks and other global partners with a common aim—to support more climate action in cities, and share the impact of city action with the international community.

**STANDARDIZES MEASUREMENT AND REPORTING:** For the first time, the Compact will standardize the way city climate data is reported, establishing a universal approach to data collection. The data can be aggregated to highlight the collective impact of city actions, which will increase global and investor confidence.

**MAKES DATA AVAILABLE TO THE PUBLIC:** Cities primarily report their climate data/actions through two major platforms—CDP ([www.cdp.net](http://www.cdp.net)) and carbonn Climate Registry ([carbonn.org](http://carbonn.org))—both of which are partners to the Compact. The Compact will make this data centrally and publicly available through the carbonn Climate Registry to highlight commitments and allow for easy searchability.

12.1.15)

# MEASUREMENT

**"If you can't  
measure it, you  
can't manage it."**

**—MICHAEL R. BLOOMBERG**

Measurement, planning and reporting are critical to achieving climate goals, and Bloomberg's guiding maxim underscores the mission of the Compact of Mayors.

With the use of consistent, transparent measurements, the Compact aims to get cities around the world on a common platform so that the impact of their collective actions on greenhouse gas emissions can be accurately captured.

# HOW TO PARTICIPATE IN THE COMPACT OF MAYORS

Any city or town in the world may commit to the Compact of Mayors—regardless of size or location. A city has up to three years to meet a series of requirements and fully comply, culminating in the creation of a full climate action and adaptation plan, and it will be recognized as each step is met. Many cities have already completed some of the activities and can be compliant in fewer than three years.

To commit to the Compact, a city must:

## REGISTER COMMITMENT.

A mayor may register on either of the Compact's standard reporting platforms—carbonn Climate Registry or CDP—or email a letter of intent to [info@compactofmayors.org](mailto:info@compactofmayors.org). Following its submission, a city will be contacted by the Compact support team.

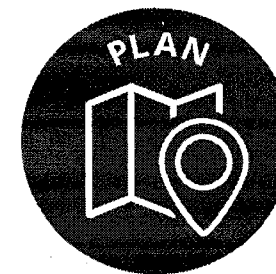

## TAKE INVENTORY.

Within one year, a mayor must assess the current impacts of climate change in his/her city. To do so, the city must 1) Build and complete a community-wide GHG inventory with a breakdown of emissions for buildings and transport sectors, using the GPC standard; (2) Identify climate hazards; and (3) Report on both via the CDP or carbonn Climate Registry questionnaires.

## CREATE REDUCTION TARGETS AND ESTABLISH A SYSTEM OF MEASUREMENT.

Within two years, the registered city must update its GHG inventory to also include a breakdown of emissions from waste sector.; set a target to reduce its GHG emissions; conduct a climate change vulnerability assessment consistent with Compact guidance; and report in its chosen platform.

## ESTABLISH AN ACTION PLAN.

Within three years, a city's strategic action plan must show how it will deliver on its commitment to reduce greenhouse gas emissions and adapt to climate change.

12.1.1(1)

# COMMITTED AND COMPLIANT BADGES

To join the Compact, a city leader must engage in the following four phases over a 3 year period. Each phase has a 2 step process: Mitigation and Adaptation.

Phase 1

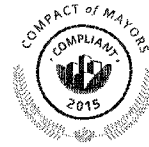

Phase 2

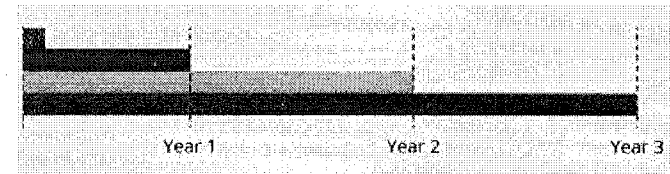

Phase 3

Phase 4

Compliant

## Establish An Action Plan

Within three years, a city's strategic action plan must show how it will deliver on its commitment to reduce greenhouse gas emissions and adapt to climate change.

Upon registering its commitment to the Compact of Mayors, a city will receive an official "Committed" badge.

Upon completing all requirements, a city will receive a "Compliant" badge. A new "Compliant" badge will be issued each year that compliance is maintained through annual reporting.

These badges may be publicly displayed online and in print materials.

12.1.1 (m)

# STEP 1 — COMMITMENT

## REGISTER COMMITMENT.

### MITIGATION

- Cities commit to:
  - > Reduce local GHG emissions.
  - > Measure community emissions inventory using the GPC – a consistent and robust standard.
  - > Set data-based targets for the future.
  - > Develop climate action plans to deliver on city targets.

### ADAPTATION

- Cities commit to:
  - > Address the impacts of climate change.
  - > Identify climate hazards.
  - > Assess vulnerabilities.
  - > Develop climate adaptation plans.

**A city may register at carbonn Climate Registry or CDP or email a letter of intent to join to [info@compactofmayors.org](mailto:info@compactofmayors.org). (A template letter is available for download on [www.compactofmayors.org](http://www.compactofmayors.org).)**

## STEP 2 — INVENTORY

12.1.1(6)

### TAKE INVENTORY.

#### MITIGATION

- Build and complete a community-wide GHG inventory using the GPC Standard.
- Report via CDP or carbonn Climate Registry.

In year one, cities only need to report on emissions in two sectors: stationary energy and inboundary travel. In year two, they must report on all sectors.

#### ADAPTATION

- Identify climate hazards
- Report hazards via the CDP or carbonn Climate Registry questionnaires.

## STEP 3 — TARGET

### SET REDUCTION TARGETS.

#### MITIGATION

- Update GHG inventory to also include a breakdown of emissions from waste sector.
- Set GHG reduction target.
- Report in chosen platform.

#### ADAPTATION

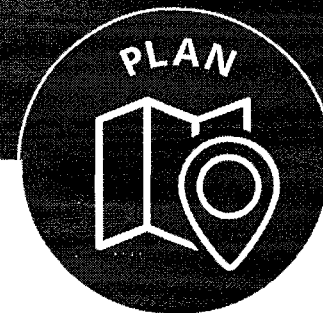

- Assess climate change vulnerability utilizing Compact guidance.
- Report in chosen platform.

COMPACT  
of MAYORS

12.1.14

## STEP 4 — PLAN

12.1.1 (9)

**CREATE EITHER A JOINT OR INDIVIDUAL ACTION PLAN TO ADDRESS CLIMATE MITIGATION AND ADAPTATION.**

### MITIGATION

- Develop climate action plan demonstrating how city will deliver on its commitment to reduce greenhouse gas emissions.
- Report in chosen platform.

### ADAPTATION

- Develop a climate change adaptation plan demonstrating how the city will adjust to actual or expected climate change impacts.
- Report in chosen platform.

**Once Step 4 has been completed, a city will have met all of the Compact of Mayors requirements and will be fully compliant. To maintain compliance, a city will report its progress on mitigation and adaptation annually.**

# HOW TO REPORT: REPORTING VIA CDP

1. Register your commitment.

2. Report your inventory and climate risk.

3. Report your target.

4. Upload your climate action plan.

# HOW TO REPORT: REPORTING VIA CARBONN CLIMATE REGISTRY

1. Register your commitment.

2. Report your inventory and climate risk.

3. Report your target.

4. Upload your climate action plan.

**Step 1:** Go to [www.carbonn.org](http://www.carbonn.org)

**Step 2:** Login or Register

**Step 3:** Tick box - intent to comply with Compact of Mayors, add date and upload commitment letter.

**Compacts**

We hereby indicate our intent to comply with the Compact of Mayors ☐

Date of decision to become Compact of Mayors compliant

Supporting document indicating intent to comply with the Compact of Mayors [Browse & Upload](#)

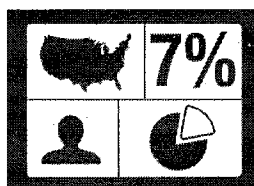

We hereby indicate our intent to comply with the Compact of States and Regions ☐

# HOW DOES THE COMPACT OF MAYORS SHOWCASE CITY ACTION?

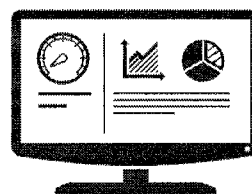

Once cities input their data into carbonn Climate Registry or CDP, data is:

- Consolidated in the Compact's central database, the carbonn Climate Registry, accessible through...

## A city profile:

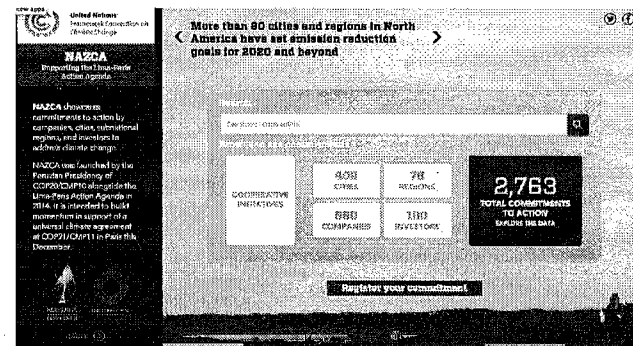

Including highlights around commitment status, key actions taken and a mayoral profile.

## A searchable database:

All city Compact data will be made available publicly through a consolidated database; every city will input the same data.

- Aggregated to show the collective impact of all Compact commitments:
  - > A summary number of GHG impact of all city commitments, globally
  - > A summary number of population covered by city commitments, globally
- Shared with the UNFCCC NAZCA (The Non-state Actor Zone for Climate Action) website via the carbonn Climate Registry database as an input into the official UN climate negotiation process

12.1.1.(f)

# RESOURCES FOR CITIES

## Tools for compliance

Measurement and planning tools for cities at each step of process: GHG inventory, climate action planning, risk assessment framework and more

## Technical support and training

Materials and guidance documents covering GPC inventories, climate action planning, risk assessment, etc.

## Direct support

# THE ROAD TO COP 21

# COMPACT OF MAYORS PARTNERS

## Founding Partners

**MICHAEL R. BLOOMBERG** | UN Secretary-General's Special Envoy for Cities and Climate Change

Michael R. Bloomberg is an entrepreneur and philanthropist who served three terms as mayor of New York City, from 2002 through 2013. In 2014, U.N. Secretary-General Ban Ki-moon appointed Bloomberg to be Special Envoy for Cities and Climate Change, for which he is focusing on helping cities and countries set and achieve more ambitious goals for mitigating and adapting to climate change.

**The C40 Cities Climate Leadership Group**, now in its 10th year, connects more than 75 of the world's greatest cities, representing 500+ million people and one quarter of the global economy. Created and led by cities, C40 is focused on tackling climate change and driving urban action that reduces greenhouse gas emissions and climate risks, while increasing the health, wellbeing and economic opportunities of urban citizens. The current chair of the C40 is Rio de Janeiro Mayor Eduardo Paes; three-term Mayor of New York City Michael R. Bloomberg serves as president of the board.

**ICLEI-Local Governments for Sustainability** is a global association of over 1,000 cities, towns and metropolises committed to building a sustainable future. ICLEI has around 300 urban development professionals working in 17 secretariats and offices, supporting cities and regions to become sustainable, low-carbon, resilient, biodiverse, resource-efficient and productive, ecomobile, smart, and healthy and happy. More than 20% of the world's urban population benefit from ICLEI's work which is global in scope and impact, and yet very local in implementation.

Created in 2004, **United Cities and Local Governments (UCLG)** is the united voice and world advocate of local and regional self-government. Members of UCLG are present in 140 countries, and are organized into seven regional sections, a Forum of Regions, and a metropolitan section. UCLG's membership includes over 1,000 cities and regions, as well as 155 local government associations.

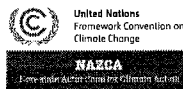

**The United Nations Human Settlements Programme, UN-Habitat**, is the United Nations agency for sustainable urban development. It is mandated to promote socially and environmentally sustainable towns and cities while advocating adequate shelter for all.

&lt;&lt;DD/MM/YYYY&gt;&gt;

Compact of Mayors  
[info@compactofmayors.org](mailto:info@compactofmayors.org)

Dear Compact of Mayors Secretariat,

I hereby declare the intent of the city of <<name of city>> to comply with the Compact of Mayors, the world's largest cooperative effort among mayors and city leaders to reduce greenhouse gas emissions, track progress, and prepare for the impacts of climate change.

The Compact of Mayors has defined a series of requirements that cities are expected to meet over time, recognizing that each city may be at a different stage of development on the pathway to compliance with the Compact.

I commit to advancing the city of <<name of city>> along the stages of the Compact, with the goal of becoming fully compliant with all the requirements within three years. Specifically, I pledge to publicly report on the following within the next three years:

- The greenhouse gas emissions inventory for our city consistent with the Global Protocol for Community-Scale Greenhouse Gas Emission Inventories (GPC), within one year or less
- The climate hazards faced by our city, within one year or less
- Our target to reduce greenhouse gas emissions, within two years or less
- The climate vulnerabilities faced by our city, within two years or less
- Our plans to address climate change mitigation and adaptation within three years or less

Sincerely,

&lt;&lt;Signature&gt;&gt;

&lt;&lt;Name&gt;&gt;

&lt;&lt;Position&gt;&gt;

By

Kevin Whyte and John Gerrard

Habitat for Humanity Halton-Mississauga would like to propose several solutions for a pending issue within Mississauga; affordable housing along the upcoming LRT line, and other larger projects that will be evolving in the coming years. Through Habitat's new model, which includes affordable rental units and sharing equity with stakeholders, we are able to put forward meaningful solutions using Section 37.

### The LRT and Affordable Housing using Section 37

*Section 37:* "Section 37 of the Act provides an incentive-based system that enables municipalities to authorize increases in the height and density of development otherwise permitted by a zoning by-law, in return for the provision of facilities, services or matters specified in the by-law." (Municipal Tools for Affordable Housing, 2011)

The City of Mississauga's *Bonus Zoning* Planning Tool allows for the above definition to be implemented for Community Benefit, which includes affordable housing (For reference: *Corporate Policy and Procedure: Community Development; Planning Tools; Bonus Zoning*. Policy # 07-03-01, September 26, 2012).

The new LRT line will help give many residents of Mississauga access to public transportation which will help move the City forward and continue with the 'Leading Today for Tomorrow' leadership that this City is known for. The draw back to the new LRT line is that land prices along the proposed route have increased significantly. The developments along the route that will inevitably move forward will have prices that are influenced by their location forcing many current residents into precarious financial and housing situations.

Elected officials and staff have an opportunity to partner with Habitat on a strategy that will define how affordable housing can be approached in a responsible manner. This legacy item can and will lead other Cities and Regions in showing how responsible affordable housing developments can move forward in a financially prudent manner.

# Habitat for Humanity®

Halton-Mississauga

The dilemma at hand is clear: the need for affordable housing is substantial, needed funds are not always available, and the housing wait list within Peel is among the longest in the Province. Through the implementation of Section 37 by Council, in partnership with Habitat, developers will be able to make height or density changes in return for donated units to be used for affordable housing.

Therefore, Habitat is proposing the following for Council's consideration to help meet the goals while staying financially responsible:

1. Implement Section 37 and acquire the units (number of units to be determined) from the developer. Donate the unit(s) to Habitat and in return, receive a percentage of equity equal to the value of the unit's charges lost that the City would normally receive for said unit. For example, if the developer is to pay \$100,000 per floor in charges (sometimes passed onto the buyer) for a 10 unit floor, each unit's charges would be equal to \$10,000. If the unit's fair market value is \$300,000, the \$10,000 'donation' would be allocated as a percentage against the unit value which equals 3.33% equity in the unit for the City.

OR

2. Following Section 37 again, Habitat 'purchases' the unit from the City for the amount equal to lost fees for that unit using either IAH funding or cash on hand.

OR

3. Following Section 37 again, the City takes on the unit and donates it to Habitat. No cash is exchanged but instead, Habitat will not take any rental subsidy from the Region which will save the taxpayer's money and take people off of the wait list.

OR

4. Any combination of the above 3 solutions.

Habitat is willing to work with Staff and Council to find an agreeable approach to a more comprehensive partnership.

Habitat is willing to take on units in their most basic form; a shell that would allow Habitat's numerous large and small donors, volunteer base, and partner organizations to be involved in helping 'build' and finish the units.

12.1.2(b)

# Habitat for Humanity®

Halton-Mississauga

As a reminder, Habitat's approach is best suited for the City because of the following:

- The revolving mortgage / rental income model allocates all mortgage / rental payments towards investment into new affordable homes / units.
- All Habitat homes / units pay full property tax.
- The ReStore locations cover our overhead costs, including property taxes and maintenance on buildings we own. Habitat Halton-Mississauga is slated to have 4 ReStore locations by the end of 2016 and 7 total within 3 years.
- All payments from homeowners and tenants are geared-to-income meaning they never pay more than 30% towards their housing.
- Rental subsidies may not be needed given the alternate revenue streams that the ReStores bring into the organization.
- Hypothetically, if rental subsidies were taken in full, most, if not all, would be allocated towards investment into future builds.
- Through Section 37, the City of Mississauga will be able to help meet affordable housing needs without any heavy investment.
- Habitat is willing to share equity in the units giving the City a stake in the unit without having to take on the responsibility of running and maintaining the unit.
- Habitat's success is proven within Canada. Habitat families overwhelming do much better in career opportunities, schooling, bettering their finances, and giving back to their communities. Furthermore, a vast majority came off social assistance and did not need to utilize food banks after moving into their Habitat homes.

We ask that this Council continue to be bold and a proven leader in pushing forward new ideas to solve the affordable housing issue. Habitat for Humanity can be the service provider for the City and asks that Council direct staff to discuss a partnership with Habitat and put together a meaningful plan that pushes for significant impact. In working with City staff, Habitat is confident that a partnership plan can be formed within 60 days.

We would be more than happy to put forth another deputation for Council to further discuss this opportunity.

Thank you for your time.

# City of Mississauga Memorandum

**To:** Council

**From:** Paul Damaso, Acting Director, Culture Division

**Date:** December 4, 2015

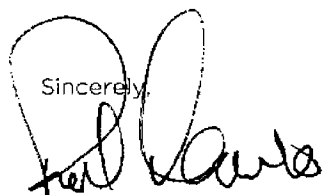

**Subject:** Ontario Culture Strategy - Written Submission

The Ontario Ministry of Tourism, Culture and Sport (MTCS) is creating its first ever Culture Strategy and seeking input from municipalities and the general public to inform its development. The Culture Strategy will set out a vision and priorities for support to arts and culture based on public consultations and written submissions. The written submissions are intended to outline the value of culture in the province and the role of municipalities in supporting culture at the local level. MTCS has developed a Discussion Paper and on September 24, 2015 formally launched public consultations across the province. Mississauga's town hall meeting was co-hosted by the Art Gallery and Mississauga Arts Council in the Great Hall at the Civic Centre on Tuesday, December 1.

In follow-up to Mississauga's December 1 town hall meeting, Culture Planning staff has drafted the attached letter to the Province on behalf of the City. The letter reiterates the importance of culture and highlights our experiences and direction for culture, as identified in our Cultural Policy and Culture Master Plan. As a member of the Creative City Network of Canada (CCNC) the views in our letter reinforce our CCNC municipal partners' message that culture is important to creating a 'quality of place' and a robust business environment.

We request that Council endorse this letter, signed by Mayor Crombie, to Assistant Deputy Minister, Kevin Finnerty, Ministry of Tourism, Culture and Sport. The deadline for written submissions is Monday, December 7, however as a result of our later town hall date an extension has been granted.

Sincerely,  

Paul Damaso  
Acting Director, Culture Division

December 1, 2015

Re: Ontario's Culture Strategy

Dear Assistant Deputy Minister Kevin Finnerty,

The City of Mississauga thanks Ontario Premier Kathleen Wynne and the Honourable Michael Coteau, Minister of Tourism, Culture and Sport (MTCS), for inviting and working with all Ontarians, including artists, community organizations and municipalities to actively participate in the development of an Ontario Culture Strategy and Arts Policy Framework that maximises the economic benefit of arts and culture to individuals and communities.

The City of Mississauga is committed to advancing Arts and Culture for the benefit of its 761,000 citizens, 23,000 creative cultural workers and 1,135 creative cultural businesses by fostering an environment conducive to creativity, public access to cultural experiences and the preservation and development of a distinct cultural identity in Mississauga. The City recognises culture as comprised of values, expressed through identity, customs, memories and stories; vibe, in the form of the character emanating from the active Culture and Heritage of a place; and virtuosity, as the expression and appreciation of artistic excellence.

The City of Mississauga Council approved the city's first Culture Master Plan in 2009, and most recently a Cultural Policy in 2015. With the support of the Province of Ontario, the City launched Mississauga Culture on the Map in 2012, a robust cultural resource map which continues to serve as an invaluable cultural planning tool. Set to be completed in 2016, the City is undertaking a number of strategies that will inform the updated Culture Master Plan (2016-2020). These studies which will guide and contribute to the cultural, social and economic development of Mississauga and the Province of Ontario include:

- Creative Industries Strategy
- Cultural Infrastructure and Creative Spaces Strategy
- Heritage and Museums Strategic Plan
- Public Art Master Plan
- Community Cultural Plans for identified neighbourhoods

Culture in Mississauga supports multiculturalism and interculturalism, while building shared identities and the foundation for a connected community. It contributes to a dynamic quality of place while engaging residents and visitors of diverse demographics, backgrounds, ages and abilities. The City of Mississauga supports its culture sector through projects, programing and initiatives that:

- Foster creative industries
- Support opportunities for creative talent development

- Build connections and partnerships between organizations, professionals, community members and the City
- Ensure accessibility through access to resources, activities, events and festivals
- Support sustained cultural community activity
- Contribute to the creation of vibrant places

We strongly urge MTCS, to reflect the role that local governments play in Ontario's Culture Strategy. As a member of the Creative Cities Network of Canada Ontario Chapter we agree that the Ontario Culture Strategy should:

- Emphasize the importance of local governments in the Ontario Culture Strategy Guiding Principles by recognizing that culture is different everywhere and highlighting the unique role of local governments in supporting Ontario's diverse municipalities;
- Invest in funding for municipalities and explore legislation and policy changes to boost the implementation of municipal cultural plans, and strengthen the management and development of local cultural resources including infrastructure and spaces; and
- Advance the role of local governments in fostering an environment in which arts, cultural industries, cultural infrastructure, cultural and built heritage, and public libraries thrive in communities by partnering with relevant professional networks, organizations, institutions and government on the creation of new resources and tools, professional training, and knowledge sharing opportunities.
- Identify Ontario legislation which may currently set barriers to cultural development and thereby provide a strategic direction, by means of a cultural lens, to improve the legislation and provide new opportunities.

Thank you for undertaking the Ontario Culture Strategy, and for the opportunity to contribute to such an important initiative.

Sincerely,

Bonnie Crombie  
Mayor

DEC 09 2015

## Motion

Wednesday, December 9, 2015

C. Parnish

**WHEREAS** in July of 2006, the tenant of 5032 Mariner Court was found to have been producing methamphetamine in the said property, which operations then caused an explosion and significant fire damage to the house; and

**WHEREAS** the City of Mississauga assumed responsibility for the clean-up and boarded up the house and in so doing spent approximately \$ 23,914.37; and

**WHEREAS** the cost of dismantling the methamphetamine lab by Peel Regional Police between July 25 to July 27, 2006 (pursuant to By-Law 0225-2003) were added to the Tax Roll on March 14, 2007 and amounted to \$ 126,260.50; and

**WHEREAS** on May 25, 2007, a lien in accordance with Section 446(6) of the *Municipal Act, 2001* was registered against the property for \$126,260.50 (for Peel Police dismantling of the methamphetamine lab, Fire and Emergency Services and Region of Peel Water Charges); and

**WHEREAS** the City has been advised that the insurance company insuring the home refuses to compensate the owners because the tenants were illegally operating a methamphetamine lab; and

**WHEREAS** on March 5, 2013 the homeowners sued the City disputing the City's By-Law 0225-2003 which permitted the addition of charges to the Tax Roll related to the clean-up and the Court upheld the City's By-law and the homeowners never appealed the ruling (case citation is 2013 ONSC 4887 (CanLII) - Abu Mossa v -City of Mississauga); and

**WHEREAS** the City has also registered 3 property standards orders against title to the property. The first order is for painting the boards to match the exterior of the house, the second order is for repairing the holes in the exterior and the third order is for the removal of pests (ie. racoons) presently living in the house; and

**WHEREAS** a Tax Arrears Certificate was registered against title to the property on April 15, 2014 indicating that the property will be sold if the taxes, penalties, interest and charges are not paid within one year; and

**WHEREAS** on November 18, 2015 the City conducted a tax sale of the property which failed to produce any bidders; and

**WHEREAS** the taxes, penalties, interest and charges on the tax account to November 30, 2015 total \$377,911.99; and

13.1(a)

CParrish

**WHEREAS** Habitat For Humanity has expressed an interest in acquiring the property in order to renovate it and sell to family in need of a home;

**AND WHEREAS** Habitat For Humanity is committed to using local suppliers, resources and volunteers to renovate the property;

**THEREFORE BE IT RESOLVED** as follows:

1. As a result of the failed tax sale, City Staff are authorized to register a Notice of Vesting against title to 5032 Mariner Court in accordance with the *Municipal Act, 2001* (and applicable Regulations), or as otherwise may be required, in order to acquire fee simple ownership of the said property; and
2. That unpaid taxes, penalties, interest and charges totalling \$377,911.99 be deemed uncollectable and removed from the tax roll at the time of vesting; and
3. That the Manager of Realty Services enter into negotiations with Habitat For Humanity with a view to conveying 5032 Mariner Court to Habitat For Humanity at the nominal consideration of \$2.00, on a strictly "as-is/where-is" basis; and
4. On such date as the property vests in the name of the City of Mississauga, the property shall also be automatically declared by Council to be surplus to municipal requirements; and
5. That the Manager of Realty Services be and is hereby authorized to execute the Agreement of Purchase & Sale, including all ancillary documents or amending agreements, in accordance with The Real Estate Delegation of Authority By-Law 0375-2008, for the conveyance of the property, on such terms and conditions as may be satisfactory to the City Solicitor; and
6. That from the total of \$377,911.99 deemed uncollectable and written off, the sum of \$230,016.64 representing taxes, penalties and interest be charged back as follows:

• To the City of Mississauga:	\$ 65,157.67
• To the Region of Peel:	\$ 106,088.53
• To the Peel District School Board:	\$ 58,770.44
7. That additional penalties and interest accrued to the date of vesting be written off and charged back to the City of Mississauga, the Region of Peel and the Peel District School Board in the same proportion as in section 6; and
8. That the other charges added to the tax account for collection purposes totalling \$147,895.35 be returned to the originating bodies as uncollectable.
