# Corporate Report

Date: 2016/02/03	Originator's files:
To: Chair and Members of General Committee	
From: Martin Powell, P.Eng. Commissioner of Transportation and Works	Meeting date: 2016/02/17

## Subject

**Request for an Exemption to the Animal Care and Control By-law 0098-04, as amended, for Permitting a Pigeon Enclosure within the Minimum Setback Requirement of the Property Lines, 6084 Rowers Crescent (Ward 11)**

## Recommendation

That the request for an exemption to the Animal Care and Control By-law 0098-04, as amended, for permitting a pigeon enclosure within the minimum setback requirement at 6084 Rowers Crescent, be denied as outlined in the report from the Commissioner of Transportation and Works, dated February 3, 2016 entitled "Request for an Exemption to the Animal Care and Control By-law 0098-04, as amended, for Permitting a Pigeon Enclosure within the Minimum Setback Requirement of the Property Lines, 6084 Rowers Crescent (Ward 11)".

## Background

On May 26, 2015 staff from the Compliance and Licensing Enforcement section of the Enforcement Division received a complaint concerning two pigeon enclosures located at 6084 Rowers Crescent. Attached as Appendix 1 is an aerial photograph and diagrams of the subject property and the surrounding properties.

Upon inspection, it was determined that two pigeon enclosures did exist in the rear yard within 6.1 metres (20 feet) of the property lines in contravention of the Animal Care and Control by-law 0098-04, as amended. In addition, the inspection revealed that the property was also in contravention of the Zoning By-law 225-2007, as amended, which permits a maximum of one accessory structure, whereas the rear yard of the subject property contained two accessory structures (two pigeon enclosures). Attached as Appendix 2 are inspection photographs of the pigeon enclosures.

On June 10, 2015 a Notice of Contravention was issued to the property owners to remove the pigeon enclosures by July 10, 2015, as it is not possible to reposition the pigeon enclosures in a location that would be in compliance with the Animal Care and Control By-law 0098-04, as amended.

On July 6, 2015 Compliance and Licensing Enforcement staff received a letter from the property owner, Mr. Icon Meriel, dated June 29, 2015 requesting an exemption to the Animal Care and Control By-law 0098-04, as amended, to permit two pigeon enclosures to remain on the property (Appendix 3).

The purpose of this report is to respond to the property owners request for an exemption to the Animal Care and Control By-law 0098-04, as amended, for permitting a pigeon enclosure within the minimum setback requirement of the property line.

## Comments

On October 29, 2015 Compliance and Licensing Enforcement staff inspected the subject property and observed both pigeon enclosures were still present in the rear yard. Mr. Meriel confirmed that he would be removing one pigeon enclosure and amending his request for an exemption to the Animal Care and Control By-law 0098-04, as amended, for permitting a pigeon enclosure within the minimum setback requirement of the property line.

The large pigeon enclosure contained 23 pigeons and measured 1.84 metres (six feet) in width, 1.79 metres (five feet eight inches) in length and 2.87 metres (nine feet four inches) in height from effective ground level to the peak of the roof. The enclosure has a 2.65 metre (eight feet seven inches) setback from the north side property line, 2.27 metres (seven feet four inches) setback from the east side property line and 0.80 metre (two feet six inches) setback from the rear west side property line.

The small pigeon enclosure did not contain any pigeons and measured 1.89 metres (six feet two inches) in width, 1.06 metres (three feet four inches) in length and 1.65 metres (five feet four inches) in height. The enclosure has a 0.38 metre (one foot two inches) setback from the south property line and a 0.94 metre (three feet) setback from the rear west property line.

On December 2, 2015 Compliance and Licensing Enforcement staff inspected the subject property and confirmed the smaller pigeon enclosure had been removed (Appendix 4) and as such, the subject property is in compliance with the Zoning By-law 225-2007, as amended.

On December 6, 2015 Compliance and Licensing Enforcement staff received correspondence from Mr. Meriel with a formal request to amend his exemption to the Animal Care and Control By-law 0098-04, as amended, for permitting a pigeon enclosure within the minimum setback requirement of the property line. Mr. Meriel indicated he wished to be granted an exemption for allowing the rear lot setback for the pigeon enclosure to be altered from 6.1 metres (20 feet) to 0.80 metres (two feet six inches).

Attached as Appendix 5 is the documentation provided by Mr. Meriel, which includes his amended request for an exemption to the Animal Care and Control By-law 0098-04, as amended, for permitting a pigeon enclosure within the minimum setback requirement of the property line, a letter of support dated December 5, 2015 signed by neighbouring property owners, two of which are abutting the subject property, a diagram of the rear yard and a copy of his Canadian Pigeon Fanciers Association membership card.

Compliance and Licensing Enforcement staff have received one complaint regarding the keeping of pigeons on the subject property.

## Financial Impact

Not applicable.

## Conclusion

Compliance and Licensing Enforcement staff do not support the exemption to the Animal Care and Control By-law 0098-04, as amended, in light of having received a complaint and given that not all of the abutting property owners are in support of the exemption request.

Dear Mr. Meehan,

I'm writing in response to the letter of Mr. Ryan Regent regarding "Animal Care and Control By-law 98-04" Notice of Contravention dated June 10, 2015. We were sad when we open the letter and broke the news to our 3 young girls. Their first reaction was...are we going to lose our birds? And I said to them, not really, it's just that we have to fix the issue with the authorities. We are sorry and I apologize for the contravention I incurred which I am fully responsible.

Upon discussion with Mr. Regent on June 29, 2015, I explained that there is no way we can meet the requirement as per 98-04 by-law and I sought his advice how we can keep the coop. The birds gave lots of fun and education to my 3 children Louise 11, Glanna 8 and Jullian 5, It teaches them how to care and feed them as they enjoy their presence. And for us parents and our right neighbour John and left neighbour Bob feel so relaxed every time we are out in the backyard watching them dancing and singing in their fly pen

When Mr. Regent heard our story, he recommended that it is possible to keep the coop by filling an application of exemption. Hence, it is with excitement and joy to us having this opportunity to our kids and to the whole family. If this requires an annual license fee or a permit, I'm more than happy to go for it.

I lived in the area for the last 12 years and Mississauga 15 years. It is the best city in Canada. I hope to receive a favourable outcome.

With Kind regards,

Subject: Exemption Request on Pigeon Enclosure to be within the required setback.

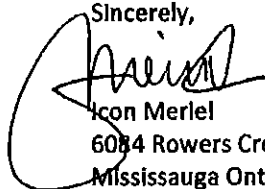

Dear Mr. Williamson,

I have compiled and attached in this letter the requested documents for my request of exemption on Pigeon enclosure within the required setback.

1. Membership to the Canadian Pigeon Fanciers' Association – email confirmation. The actual membership is yet to be received in the mail
2. I confirm that I have purchased sets of bands for new breed pigeons. All existing pigeons are banded.
3. Diagram of my backyard
4. Letter of support from abutting neighbours.

Note: 6080 Rowers Crescent, 6082 Rowers Crescent, 6086 Rowers Crescent and 6088 Rowers Crescent all have signed. However, I wasn't able to get hold of 6172 Rowers Crescent and 6176 Rowers Crescent due to non-availability at home or not wanting to open their door. I work very far and arrive home late night so my only time to knock on their doors is during Saturday and Sunday, unfortunately, I wasn't able to get hold of them. 6174 Rowers Crescent, I spoke with her in September and her concern was if she decides to sell her property, the pigeon coop might scare away the potential buyer or lower the value of her property. I told her that the pigeon coop is not permanent. I then asked her when is she planning to move (so I can make some plans to help regarding her concerns in the pigeon coop) and she said, not now and maybe sometime in the future.

Sincerely,

Dear Neighbour,

As you may already aware, I have put up a temporary pigeon coop in my backyard that contains fancy pigeons.

I do not fly out my birds, I keep them inside the coop, I treat them with antibiotics to keep the birds healthy and I also provide regular vitamins to maintain good health. And clean the area regularly.

The city of Mississauga requires your support by signing below. Your support will be very much appreciated for continuous education and entertainment to my family.

Re: Proposed McLaughlin Rd Widening/Improvements

Dear Ms Greer,

I am pleased to be able to contact you on behalf of the residents in our area who are devoted to the protection of our natural area and the safety of our streets.

My neighbour, Mr. Piotr Frasukiewicz, has sent a document to you outlining the main concerns of the residents in our neighbourhood around the proposed widening of McLaughlin Rd. between Bristol Rd. and Britannia Rd.

These concerns, which fit into **four main categories** (irreversible damage to the natural character, reduced safety, stifling congestion, impediments to active transportation), have not been sufficiently addressed by any city officials that I am aware of. We did receive some letters indicating that our suggestions for alternative methods of improving traffic flow would not be feasible. We were told that any traffic calming measures would be either denied for the purpose of emergency vehicle use, or *looked at*, but would ultimately be decided upon by officials in other departments, presumably once work got started.

Besides the promise of new noise walls (which add to the homogeneity of the city and diminish individual character), very little has been presented to reassure us that this major change is truly an improvement in any meaningful way, for anyone, in accordance with the City of Mississauga's Vision and Strategic Plan.

Our residents would welcome changes in the areas of noise, pollution, and speed reduction, increased safety at the intersections, increased ability to turn and cross the road by car or on foot, better stewardship of the forest edging, improved walking and cycling trails, and better traffic flow.

All of these areas of concern will be made worse, not better, by widening, because of the massive volume of cars that would fill the lanes in very little time once they are opened up.

Our comprehension of the situation is that, regardless of the scenic route designation of this stretch of road, and regardless of our objections, the city intends to proceed with what is generally considered by all urban designers to be a guaranteed congestion-magnet, ultimately resulting in the loss of our magnificent and irreplaceable tree canopy.

We feel, when viewed from a more comprehensive perspective, the cost is simply too high to justify any intended benefit.

I would be happy to provide a more complete package and/or come and meet in person with or without some of my fellow residents, to better communicate these concerns, and discuss alternatives.

Please contact me at any time as needed, by phone [REDACTED] or by email [REDACTED]

Dear City Clerk,

Thank you for giving us the opportunity to submit our concerns about the proposed changes to McLaughlin Rd.

As a collective, having met and discussed the issue at length, we oppose the proposal to widen the road from Bristol Rd to Britannia Rd. Our opposition to all plans proposed so far are based on our research and discussions with the City of Mississauga and residents, and, in summary, we have determined that widening from two to four lanes:

1. *Will destroy the unique natural character of this designated scenic route.*
2. *Will make our road more dangerous and inconvenient*
3. *Will reduce traffic flow rather than improve it.*
4. *Will negatively impact active transportation such as walking and cycling.*

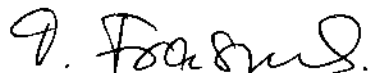

Many of the concerns in these areas were raised by residents at the workshop at St Gertrude's school on May 9th, 2015 have not been adequately addressed.

On the following pages, some details have been provided for each of the points above.

We intend to present these objections to City Council in the coming months in hopes that previously unaddressed arguments will be brought out in the open.

Please contact me at any time as needed.

Sincerely,

Teresa Frasunkiewicz

Resident of the area and member of McLaughlin Sugar Bush Residents' Association

Additional details.

***Will destroy the unique natural character of this designated scenic route.***

- What good is a scenic route designation if cars are always the priority?
- The hundreds of people that arrive on foot every year to photograph the fall colours will not come anymore
- Residents chose this area and paid a premium for tall mature trees
- The loss of 481 trees for the sake of more pavement is shocking to most people. The loss of 26 tall, mature, healthy trees over 100 years old is, to anyone who appreciates nature, unthinkable.
- The majority of the tree canopy along McLaughlin Road, is only a strip of trees, not a forest. The removal of 481 trees represents a majority of the strip.

***Will make our road more dangerous and inconvenient***

- It is already difficult to make a left turn from Parkwood Place / Faith Dr/ Avonwick
- Already street racing is a problem. With wide open lanes this will increase, along with regular speeding. South of Bristol people regularly drive at 70 kph. Traffic calming measures suggested did not reassure.
- Already school buses stopping with their red flashing lights are ignored by distracted drivers. We often hear screeching brakes when the bus stops to let children out. This will be worse.

***Will reduce traffic flow rather than improve it.***

Congestion will increase as a *massive volume of car traffic* adopts McLaughlin Road once Hurontario begins construction for the LRT. Even before that happens, word will spread and traffic will fill the road, as is the general rule with road-widening.

***Will negatively impact active transportation.***

- Many people use the wide path on the West side for cycling, including kids and people of all ages. An informal survey of cyclists on that stretch of road suggests they are comfortable being off the road. The recommended sharrow lane for cycling is only suitable for experienced cyclists. Sharrows actually discourage people to try cycling, as they are far less safe, and unsuitable for a major arterial, which is what is essentially being proposed.
- Hundreds of people, including students, walk on this stretch of road. While it could be greatly improved with access to walking trails through the Britannia Farm lands, there is no question it is a very pleasant walk with the exception of speeding traffic. Just south of Bristol Rd, when the road opens up to 4 lanes, it is so loud with traffic that it is not enjoyable.

**Conclusion:**

While we are all drivers, and recognize the layout of our city necessitates car use, we also believe that the needs of drivers do not come before absolutely everything else. The strategic plan for the City of Mississauga includes goals around greening, encouraging active transportation and stewardship of ecosystems and natural area. Paving over more green space

and adding noise walls, which create more homogeneity and less individual character hardly seems to work with any of the city's goals.

We feel that the cost of the loss of trees and our special natural environment is *just too high* to justify the changes, when compared with the very minor benefits, which include only a short, temporary period of better traffic flow.

To Whom It May Concern,

As suggested by the public notice, I would like to provide feedback to the McLaughlin road Class Environmental Assessment □ Bristol Rd West to Britannia Rd West, Schedule 'C'.

While I've submitted a request of Part II Order to the Minister of Environment and Climate Change, I think it is still important to communicate with the city of my perspective.

Despite the grand and hopeful promise painted by the Living Green Master Plan, this particular project makes me seriously doubt the city's commitment to a more sustainable future.

The proposed design in the McLaughlin project is a missed-opportunity for the city to prove itself on the type of leadership it aspires to be, and become the change it wants to happen. It is very disheartening to see the city eagerly support the continual accommodation for an unsustainable future. It is clear the city knows the challenge in transforming a suburban sprawl urban form into a transit-oriented one. Yet, it does not stop in its track. It is clear the city knows the challenge and the growing importance of enhancing, restoring, even expanding its natural system areas. Yet, it doesn't flinch on the encroachment of a significant Core Area in the Greenlands System. It is clear that the city knows it needs to increase its urban forest canopy. Yet, it shrugs off the mass removal of

matured and healthy tree. It makes little sense for the city to eagerly plant stems, but cares little for trees with >10cm, 50cm DBH.

The 2.5km section of McLaughlin road is a very small section in the pervasive road network system in the city. Instead of striving to preserve (let alone expand as stated in the LGMP) the little natural heritage the city has left, and genuinely explore all options for a temporal issue, the city prefers to follow its suburban tradition and invest in irreversible development to put the declining future of cars first. All while living in an age where climate change has become tangible.

The need to build a city in a way to help change usage behaviour for a better sustainable future is not just a line of words in the LGMP. It needs to be put into action now. It needs to be put into the decision-making now. It needs to be in all current implementation now. That is called foresight. That is called leadership. That is called wise management. Not to spend millions of dollars implementing something that would soon need to be converted back to recreate a scale of that is more suitable for alternative transportations. Furthermore, unfortunately, once a space is made into a paved road, it cannot be revert back to its original state, no amount of fixtures could do.

The change in others needs to start with the change of mindset in ourselves, in our leaders, our planners, our decision makers. Mississauga have grown to an extent where there are little undeveloped land, and vertical density is on the rise to accommodate density and growth. The strategy in dealing with such growth is different than the sprawl. In order to properly and smartly address those demands, our mindset need to change and our vision needs to set further out.

One has to be wise on the change too. Being someone whose choice of commute vehicle is a bicycle whenever possible, I see the flaw in the conventional cycle lanes. A paved roadway is a real estate that provides value only when a vehicle is in motion. Being in the northern climate, most of our winter is not pleasant (or even advised) to cycle outdoor. (Having said that, thanks to global warming, this year I was able to bike even in January!!) That means the infrastructure provides little value a big chunk of the year. And truth be told, many of the existing bike lanes does not adequate safety buffer! Currently, there are trends to change by-laws to allow bicycle on the sidewalk, to not only encourage entry level cyclist, but to optimize the value of existing infrastructure, and almost instantly expands the cycling network. If that proves to be the better direction, the city should re-examine its approach and mindset with regards to its Cycling Master Plans. It does not make sense to continue implementing on a flawed plan when better options are available.

The EA report demonstrates the hardwork of the many involved. My feedback is not on them. They have helped inform me. My feedback is on the narrow-

mindedness in the mandate imposed on them. That is what has failed, for us and for the future generations.

I do sincerely hope the leaders and those with decision-powers to rethink this step of direction.

Best Regards,

Jessica Wang

**RESOLUTION 2016-1B**

**OPPOSING THE WAUKESHA WATER DIVERSION APPLICATION**

**WHEREAS**, the Great Lakes and St. Lawrence River Basin represents approximately 20% of the world's surface freshwater resource and supports the third largest economy in the world;

**WHEREAS**, on December 13, 2005, the Great Lakes Governors of Illinois, Indiana, Michigan, Minnesota, New York, Ohio, Pennsylvania and Wisconsin, and the Premiers of Ontario and Québec signed the Great Lakes—St. Lawrence River Basin Sustainable Water Resources Agreement (the "Agreement"), and the Governors endorsed the companion Great Lakes—St. Lawrence River Basin Water Resources Compact (the "Compact"), which was later approved by the United States Congress and signed by the President, banning new water diversions from the Basin except in communities located in counties straddling the water division line between the Great Lakes-St. Lawrence Basin and other basins; and

**WHEREAS**, the City of Waukesha, WI, is located in Waukesha County, a county straddling the water division line; and

**WHEREAS**, the City of Waukesha has applied under the exception for a "Community within a Straddling County" to use water from Lake Michigan as its source of drinking water to the Wisconsin Department of Natural Resources (the "Waukesha Application"); and

**WHEREAS**, the exception requires the diverted waters be used solely for the "Public Water Supply Purposes" of the specific "Community within a Straddling County" as defined in the Agreement and Compact; and

**WHEREAS**, the Wisconsin Department of Natural Resources has deemed the Waukesha Application approvable and forwarded it on January 7, 2016 to the Great Lakes-St. Lawrence River Water Resources Regional Body (Regional Body) and Compact Council for its consensus decision; and

**WHEREAS**, all eight Great Lakes states must vote in favor of the Waukesha Application for it to go forward at a special meeting of the Compact Council in late spring 2016; and

**WHEREAS**, the Waukesha Application does not meet the terms of the Agreement nor the Compact, as there are significant questions about the necessity of the diversion to meet the drinking water quantity and quality needs of the City of Waukesha, among other concerns; and

**WHEREAS**, the City of Waukesha plans to provide water to a broader service area consisting of neighboring communities which have not demonstrated a need for a new water supply, contrary to the terms of the Agreement and Compact, and plans to do so based on broader water master plans rather than the specific demonstrated needs of the City of Waukesha; and

**WHEREAS**, this broader service area is not a "Community within a Straddling County" as defined and required by the exception in the Agreement and Compact; and

**WHEREAS**, the precedent-setting nature of the Waukesha Application is of great concern to the Mayors of the Great Lakes and St. Lawrence Cities Initiative; and

**WHEREAS**, the impacts of the proposed return flow of water to Lake Michigan through the Root River will cause significant changes to the ecosystem and to the urban shores of the mouth of the River; and

**WHEREAS**, the Regional Body review process is inadequate as it provides for only one public meeting to be held in the City of Waukesha, resulting in far too limited public engagement on a matter of great regional, national, and international importance, contrary to the prescribed objectives of the Agreement and Compact; and

**WHEREAS**, the Regional Body is not providing sufficient public information to residents in the Great Lakes and St. Lawrence River Basin; and

**WHEREAS**, the Regional Body's decision on Wisconsin Department of Natural Resources' Declaration of Finding, expected on April 21, 2016, allows for input from the eight US Great Lakes states, Ontario and Quebec, and will be key in the final Compact Council decision.

**THEREFORE, BE IT RESOLVED**, that the Mayors of the Great Lakes and St. Lawrence Cities Initiative reaffirm their commitment to the protection of our water resources by calling on the Governors of Illinois, Indiana, Michigan, Minnesota, New York, Ohio, Pennsylvania and Wisconsin, and the Premiers of Ontario and Québec, and their representatives on the Regional Body and Compact Council to reject the Waukesha Application in its current form; and

**BE IT FINALLY RESOLVED**, that the Mayors urge the Governors and Premiers of the Regional Body and Compact Council, consistent with good public policy, to ensure complete transparency and full public engagement through open meetings,

**COUNCILLOR INFORMATION STATEMENT  
FOR GIFTS AND BENEFITS OVER \$500.00**  
under the City of Mississauga Council Code of Conduct

[To be filed by every Member of Council within 30 days of receipt of any gift or benefit exceeding \$500.00, or where the total of the value of a gift or benefit, together with any other gift(s) or benefit(s) from the same source in the same calendar year, totals \$500.00 or more]

1. John Kovac, Member of the Council of the City of Mississauga, hereby state as follows:

1. In the attached list, every reference to a gift or benefit received by me includes every gift or benefit received, with my knowledge, by any family member of mine or a member of my staff, all as defined in the Council Code of Conduct (the "Code").

2. Attached is a complete list, subject only to the exceptions listed in paragraph 7 hereof, of every fee, advance, cash, gift, gift certificate, personal benefit, price reduction and other consideration received by me in this calendar year during the 30-day period immediately prior to the date of this Statement, connected directly or indirectly with the performance of my duties of office as a member of Council, of the following description:

- (a) where the value of the gift or benefit exceeds \$500.00; and/or
- (b) where the total value of all gifts and benefits received from any one source during the course of the calendar year in which it was received exceeds \$500.00.

(Herein referred to collectively as the "Paragraph 2 Gifts or Benefits")

3. Included in the list are particulars of the Paragraph 2 Gifts or Benefits, designated by reference to the applicable paragraph of Rule No. 2.1 of the Code:

- 2.1.b any gift or benefit of a nature which normally accompanies the responsibilities of office and was received as an incident of protocol or social obligation;

- 2.1.e a suitable memento of a function honouring me;
  - 2.1.f food, lodging, transportation or entertainment provided by any government;
  - 2.1.f food, lodging, transportation or entertainment provided by the organizer of a conference, seminar or other event where I either spoke or attended in an official capacity at an official event;
  - 2.1.g any food or beverage consumed at a banquet, reception or similar event, where the attendance served a legitimate business purpose and the person extending the invitation or a representative of the organization was in attendance;
  - 2.1.h the provision of communications to my offices, including subscriptions to newspapers and periodicals;
  - 2.1.i any sponsorship or donation for a community event organized or run by me or on my behalf, where costs were incurred and the event held on or before Nomination Day.
4. Without limiting the generality of the information required to be included in this Councillor Information Statement, examples of the types of Paragraph 2 Gifts or Benefits received by me or a staff or family member which must be listed include each of the following:
- (i) property (e.g. a book, flowers, gift basket, painting or sculpture, furniture, wine);
  - (ii) membership in a club or other organization (e.g. a golf club) at a reduced rate or at no cost;
  - (iii) any invitation to and/or tickets to attend an event (e.g. a sports event, concert, play) at a reduced rate or at no cost;
  - (iv) any invitation to attend a gala or fundraising event at a reduced rate or at no cost;
  - (v) any invitation to attend an event or function in the fulfilment of my official duties, as described in this Statement;

- (vi) in the case of an invitation to attend a charity golf tournament, a fundraising gala, a professional sports event, concert or a dinner, in addition to the data provided, the number of such events which I have attended as a guest of the same individual or corporation during the calendar year prior to the last such attendance;
- (vii) Use of real-estate or significant assets or facilities (i.e. a vehicle, office, vacation property) at a reduced rate or at no cost;

5. I have listed beside the description of each gift and benefit; the date it was received; the name of the donor or provider; the nature of the gift or benefit; the cost, value or estimated value of the gift or benefit; and the reference to every applicable paragraph of Rule No. 2.1 of the Code. Where I have received more than one gift or benefit from any one source during the last calendar year, I have listed opposite the name of the person or other source from whom the gift or benefit was received, the date and the value of all gifts and benefits which I have received from the same source over the past year.

6. I know of no facts or circumstances which create a conflict between my private interest and my public duty as a member of Council, by reason of my receipt or acceptance of any gift or benefit referred to in this Statement or otherwise.

7. In accordance with the Code, this list does not include the following:

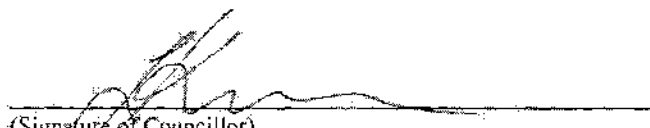

- 2.1.a compensation authorized by law paid to me by the City of Mississauga or its local board;
- 2.1.c money, goods or services received by me, or on my behalf, for my municipal election campaign, duly reported in accordance with law;
- 2.1.d services provided without compensation by persons volunteering their time.

8. The list, which forms part of this Statement, sets out all of the Paragraph 2 Gifts or Benefits, subject to permitted exceptions referred to in paragraph 7 hereof, received by me, or on my behalf, or by any member of my family or staff, during the period to which this Councillor

Information Statement applies. This Statement is submitted by me in good faith in accordance with the Code of Conduct governing Members of Council of the City of Mississauga.

### **Sample resolution for municipal councils related to broader investment powers**

WHEREAS municipalities are required to invest their reserves in accordance with the Municipal Act, 2001 and Ontario Regulation 438/97 (as amended), which specifically outlines allowable investments;

and WHEREAS to ensure the sustainability and sound stewardship of the municipality's investments, the municipality is of the opinion that changes should be made to the Municipal Act, 2001 and Ontario Regulation 438/97 (as amended), to allow for the prudent investment of reserves, if those investments are professionally managed and part of a broader investment strategy;

and WHEREAS the Prudent Investor Standard is an industry accepted best practice in effectively managing a portfolio of investments, and the Standard applies to investments, not in isolation, but in the context of the portfolio of investments and as part of an overall strategy, that should incorporate acceptable risk and return objectives suitable to the stakeholders;

and WHEREAS the Province is conferring "Prudent Investor" status on the City of Toronto to enable greater diversification in portfolio management,

and WHEREAS the Association of Municipalities of Ontario (AMO), Local Authority Services (LAS), and the Municipal Finance Officers Association of Ontario (MFOA), have long requested that the Prudent Investor Standard apply to all municipal investments that are invested with The One Investment Program;

and WHEREAS in 2005, municipalities were granted the ability to invest in longer-term corporate bonds and Canadian equity investments via only the One Investment Program, and the One Investment Program has demonstrated strong investment returns for municipalities within these 'new' investment sectors;

and WHEREAS the institutional portfolio managers utilized by the One Investment Program recommend that the Prudent Investor Standard approach is a more appropriate approach to investing;

and WHEREAS operating municipal investments under the Prudent Investor Standard is precluded by the Municipal Act, Eligible Investments, in its current form;

THEREFORE BE IT RESOLVED THAT Council support the request of AMO, LAS, and MFOA to amend Ontario Regulation 438/97 (as amended) of the Municipal Act, 2001, to allow municipalities to invest consistent with the Prudent Investor Standard, if such investments are through the One Investment Program.

**DRAFT MOTION**

WHEREAS the City of Mississauga (the "City") is located wholly within the Great Lakes Basin;

AND WHEREAS the City maintains stewardship over 22.5 kilometres of shoreline along Lake Ontario;

AND WHEREAS the City of Waukesha, Wisconsin, submitted an application to divert water from Lake Michigan for use as its source of drinking water (the "Waukesha Application"), made pursuant to the Great Lakes and St. Lawrence River Basin Water Resources Agreement (the "Great Lakes Agreement") and the Great Lakes-St. Lawrence River Basin Water Resources Compact (the "Great Lakes Compact");

AND WHEREAS the Great Lakes Agreement was signed by the Premiers of Ontario and Quebec along with Governors of eight Great Lakes states;

AND WHEREAS the Great Lakes and St. Lawrence Cities Initiative (the "Cities Initiative") expressed concern with the Waukesha Application and has passed a resolution opposing the Waukesha Application (Resolution 2016-1B), attached as Appendix 1;

NOW THEREFORE BE IT RESOLVED:

THAT the Council of the City of Mississauga endorse the Cities Initiative Resolution 2016-1B, attached as Appendix 1, opposing the Waukesha Application;

THAT the Mayor, on behalf of Council, forward a copy of this resolution to the Prime Minister of Canada, the Premier of Ontario and local MPs and MPPs; and

THAT this resolution be forwarded to the Association of Municipalities of Ontario (AMO), Region of Peel, Credit Valley Conservation Authority (CVC) and Toronto and Region Conservation Authority (TRCA) and that they be requested to endorse the Cities Initiative Resolution 2016-1B by bringing forward their respective resolutions.

**NOTICE OF MOTION**

Moved By: Councillor Parrish

Wednesday, February 24, 2016

WHEREAS Subsection 37 of Section 210 of the Municipal Act, R.S.O. 1990, C.M. 45, provides that municipal councils may pass by-laws to regulate and prohibit the sale of fireworks;

AND WHEREAS the Council of The Corporation of the City of Mississauga deems it advisable to license and regulate the sale of fireworks;

AND WHEREAS it is the responsibility of The Corporation of the City of Mississauga to do all in its power to ensure that the increasing use of fireworks by various groups for holiday celebrations does not result in personal injury.

AND WHEREAS the best opportunity to educate adults purchasing fireworks is at the point of purchase;

NOW THEREFORE BE IT RESOLVED that Section 7(2) of By-law 340-01 being the Fireworks Vendors By-law be amended by adding (e) An agreement to provide every purchaser of fireworks with a written instruction sheet as attached and a verbal description of the contents of the instruction sheet.

Signed: C. Parrish

# (NAME OF COMPANY) SUGGESTS THE FOLLOWING

## USING CONSUMER FIREWORKS

Part 16 of the Explosives Regulations provides additional safety rules for consumer fireworks.

**PEOPLE UNDER 18 YEARS OLD** who use fireworks must be supervised by an adult.

**CHOOSE** a wide, clear site away from all obstacles. Refer to the safety instructions on the fireworks label for minimum distances from spectators.

**DO NOT FIRE IN WINDY CONDITIONS.**

**READ** all instructions on the fireworks. **PLAN** the order of firing before you begin.

**USE A GOOD FIRING BASE** such as a pail filled with earth or sand.

**BURY** fireworks that do not have a base **HALFWAY** in a container of earth or sand (such as a pail, box or wheelbarrow) unless the label on the firework indicates otherwise. Set them at a 10-degree angle, pointing away from people.

## UTILISATION DE PIÈCES PYROTECHNIQUES À L'USAGE DES CONSOMMATEURS

La partie 16 du Règlement sur les explosifs prévoit des règles additionnelles sur la sécurité.

**LES PERSONNES DE MOINS DE 18 ANS** qui utilisent des pièces pyrotechniques doivent le faire sous la supervision d'un adulte.

**CHOISIR** un emplacement spacieux, bien dégagé et loin de tout obstacle. Consulter les consignes de sécurité sur l'étiquette des pièces pyrotechniques pour connaître les distances minimales entre les pièces et les spectateurs.

**NE PAS METTRE À FEU LES PIÈCES PYROTECHNIQUES PAR TEMPS VENTEUX.**

**LIRE** toutes les instructions sur les pièces pyrotechniques. **DETERMINER** l'ordre de mise à feu avant de débiter.

**UTILISER UNE BONNE BASE DE MISE À FEU**, tel un seau, remplie de terre ou de sable.

**ENFOUIR À MOITIÉ** les pièces pyrotechniques qui ne possèdent pas de base dans un contenant (par exemple, un seau, une boîte ou une brouette) renfermant du sable ou de la terre, sauf indication contraire sur l'étiquette. Les installer à un angle de 10 degrés et les pointer en direction opposée des spectateurs.

### USING CONSUMER FIREWORKS

NEVER try to light a firework or hold a lit firework in your hand unless the manufacturer's instructions indicate that they are designed to be hand-held.

**LIGHT CAREFULLY:** Always light the fuse at its tip.

**KEEP WATER NEARBY:** Dispose of used fireworks (including debris) in a pail of water.

**WAIT** at least 30 minutes before approaching a firework that did not go off. **NEVER** try to **RELIGHT** a firework that did not go off. **NEVER** try to fix a firework that is defective.

**KEEP** fireworks in a cool, dry, ventilated place, out of the reach of children.

**IT IS RECOMMENDED** that safety glasses be worn.

### UTILISATION DE PIÈCES PYROTECHNIQUES À L'USAGE DES CONSOMMATEURS

**NE JAMAIS** tenir dans la main des pièces pyrotechniques qui sont allumées ou que vous tentez d'allumer, sauf si les instructions du fabricant indiquent qu'elles sont conçues pour être tenues dans la main.

**ALLUMER PRUDEMMENT :** toujours allumer la mèche à l'extrémité.

**GARDER DE L'EAU À PORTÉE DE LA MAIN :** mettre les pièces pyrotechniques utilisées et les débris dans un seau d'eau.

**ATTENDRE** au moins 30 minutes avant de s'approcher d'une pièce pyrotechnique dont la mise à feu n'a pas fonctionné. **NE JAMAIS** tenter de **RALLUMER** une pièce pyrotechnique dont la mise à feu n'a pas fonctionné. **NE JAMAIS** tenter de réparer une pièce pyrotechnique qui est défectueuse.

**CONSERVER** les pièces pyrotechniques dans un endroit frais, sec, aéré et hors de la portée des enfants.

**IL EST RECOMMANDÉ** de porter des lunettes de sécurité.
