Subject: Support for Port Credit Pet Centre

Good afternoon Jim

On behalf of the PCBIA Board of Directors I would like to address the situation that Port Credit Pet Centre is experiencing with changes to the bylaw regarding reptiles.

Port Credit Pet Store has been a long standing and responsible business in our community since before the establishment of the PCBIA in 1976.

Over the years Grant Crossman has become known in the industry as the foremost authority in the care and ownership of snakes and reptiles. His shop is impeccable and nothing would lead us to believe that animals in his care are at risk or at risk of being a danger to the community.

While changes to the bylaw are being reviewed, we ask that the City staff show special consideration to an owner who has been involved at a high level with animal control in rescuing and housing snakes and reptiles. PCBIA would hate to lose a business built on responsible operation.

Thank you,

Ellen Timms
