• Trillium Health Partners:

Trillium Health Partners is one of the largest community-based academically affiliated acute care facilities in Canada, serving the growing and diverse populations of Mississauga, West Toronto and surrounding communities. Operating across three sites – Credit Valley Hospital, Mississauga Hospital, and Queensway Health Centre – Trillium Health Partners offers a full range of acute care hospital services, as well as a variety of community-based, specialized programs. Trillium Health Partners is also the regional centre for oncology, stroke, neurosurgery, sexual assault and domestic violence, and a provincial centre for cardiac services. Trillium Health Partners is dedicated to providing the highest quality of care that is easily accessible for our community, and is committed to creating an exceptional experience for everyone who walks through its doors.

About our three sites:

About Credit Valley Hospital:

Credit Valley Hospital is a regional leader in specialized programs for clinical genetics, renal, maternal-child care and oncology, as well as core clinical programs in general medicine, surgery, emergency, mental health, rehabilitation, obstetrics and gynaecology, paediatrics and cardiac services. Credit Valley is known for its innovative, can-do approach to providing quality patient care to the residents of Mississauga and the surrounding region.

About Mississauga Hospital:

With over 120,000 visits annually, the 24-hour Emergency Department at Mississauga Hospital is one of the busiest in the country, and frequently the front door to many of Trillium Health Partners' regional programs, including stroke, neurosurgery, cardiac and sexual assault & domestic violence. Mississauga Hospital also houses the largest concentration of critical care services in Canada with modern facilities offering bright and roomy patient rooms for intensive care, cardiac surgery intensive care and coronary care.

With a specialized focus on women's and children's health services, our Colonel Harland Sanders Family Care Centre, the first of its kind in Canada to be located in a hospital setting, brings all these services together under one roof. Its child-friendly treatment and waiting room areas feature interactive wall décor, an innovative playroom and bright colours designed with input from children in the community.

About Queensway Health Centre:

Queensway Health Centre is a model ambulatory care centre, offering community residents access to one of the most convenient and comprehensive outpatient services in the country. Queensway

Health Centre features a 14-hour urgent care centre, the largest day surgery centre in North America (Surgicentre), a widely-recognized cardiac wellness & rehabilitation centre, the first comprehensive spine centre of its kind in Canada (Kingsway Financial Spine Centre), and The Betty Wallace Women's Health Centre, with a focus on early intervention and screening of osteoporosis and breast disease.

- **Trillium Health Partners Foundation:**

Trillium Health Partners Foundation is dedicated to raising the critical funds needed to address the highest priority needs of Trillium Health Partners. The Foundation was formed upon the successful voluntary amalgamation between The Credit Valley Hospital Foundation and Trillium Health Centre Foundation in July 2013.

Building upon Trillium Health Partners' strategic plan of creating a new kind of health care for a healthier community, the Foundation is focused on raising funds to revitalize patient care spaces, advance research & education, and ensure our medical teams have the right equipment and resources to continue to enable exceptional care, close to home, for the residents of Mississauga, west Toronto and the surrounding area.

Housing

- Mississauga has an excellent selection of quality housing including townhouse, high-rise condominium, semi-detached, detached and executive homes to satisfy every income level. Mississauga's residential communities are set in a variety of environments from urban to waterfronts to greenbelts.
