What is an application for Consent?

The owner of land or a person authorized in writing by the owner who wishes to convey **part** of their land may apply to the Committee of Adjustment for "Consent" to convey the land.

The *Planning Act* requires property owners to obtain "Consent" approval before conveying **part** of their property. Approval is also required when the terms of an agreement, such as a lease, easement or mortgage commits the land to a use for a period in excess of 21 years.

The power under the *Planning Act* to give "Consent" has been delegated to the Committee of Adjustment. The Committee is composed of seven (7) members who are appointed by the Council of the City of Mississauga.

How do I Apply?

If you wish to apply to the Committee of Adjustment you should obtain and complete the "Consent" application form. The application form outlines the requirements for submitting the application. The requirements include a key map, site plan or survey, which will indicate the location of the property and the setbacks of all buildings and structures on the property. The number and size of the site plans is outlined on the application form. If you are an agent for the purposes of submitting the application, a letter of authorization is required from the registered owner of the property. The application package is available at:

Committee of Adjustment Office
Mississauga Civic Centre
300 City Centre Drive
Telephone: 3-1-1

or at www.mississauga.ca/committeeofadjustment

How much will it cost?

The processing fee for a "Consent" application to the Committee of Adjustment is noted on the first page of the application package.

The application fee is payable at the time the application is submitted. If the fee is paid by cheque, the cheque must be made payable to the "Treasurer of the City of Mississauga."

The conservation authority may require a fee to review your application. Please contact the appropriate conservation authority for your property for more information.

There is also a Certificate fee which forms part of the application fee.

What happens then?

The Committee of Adjustment staff then prepares a Notice of Application which among other things describes the details of your request for "Consent" and the date and the time of the Public Meeting.

A notice sign is to be placed by the applicant on the subject lands; as well, the notice is mailed to every owner within 60 m (200 ft.) of the subject lands at least 14 days in advance of the Committee Hearing.

The notice is also distributed to City Departments, Members of Council, other outside agencies, the property owner and the authorized agent (if any).

What happens at the Meeting?

At the meeting the applicant or their appointed authorized agent will be required to make a verbal presentation of their request to the Committee. Presentations may also be made by any other interested parties in support of or in objection to your application.

The Committee considers all presentations for and against the proposal and renders a verbal decision in the presence of all interested parties at the time of the Public Meeting. An approval of your application may be subject to such conditions as the Committee deems appropriate.

If an individual wishes to receive a copy of the Committee's written decision, their request must be in writing. A form entitled "Request for Decision" is available at the meetings or in the Committee of Adjustment Office.

To find out more about a particular application, call us for an appointment to visit our office and review the file.

What happens after the Meeting?

A written decision from the Committee will be sent to the applicant, agent and all persons that requested a copy of the decision and changes to conditions by mail within fifteen (15) days from the date of the meeting.

At the end of the twenty (20) day appeal period, if there has been no appeal filed, the decision will become final and a notice to this effect will be issued.

If the application is approved by the Committee of Adjustment and all conditions have been fulfilled within one (1) year of the mailing date of the decision, the Secretary-Treasurer will issue a Certificate. If the conditions are not fulfilled within this time period the application is deemed to be refused and the decision will lapse.

It should be noted that if the Certificate of the Secretary-Treasurer is not used for a transaction (i.e. transfer of title) within a two (2) year period from the date on the Certificate, the Certificate will lapse and a new Consent application will be required.

Changing Conditions

The Committee of Adjustment may also change conditions of approval at any time before the Secretary-Treasurer's Certificate is issued or before the Committee's decision lapses. Written notice of the changes to the conditions will be given to all persons who had requested a notice of decision and changes to conditions of the Committee of Adjustment in writing. Please contact the Committee Office for further details.

Appeal Provisions

The decision of the Committee of Adjustment, or any condition imposed, is subject to appeal within the twenty (20) days from the date of the mailing of the decision. During the appeal period any person may file an appeal of the Committee's decision or any condition to the Local Planning Appeal Tribunal. The notice of appeal is to be filed with the Secretary-Treasurer of the Committee of Adjustment.

The notice of appeal must be in writing and outline the reasons for the appeal. A certified cheque or money order in the amount of **\$300.00** payable to "**The Minister of Finance**" must be included with the notice of appeal form. The website for downloading Local Planning Appeal Tribunal Appeal Information and Forms is <http://elto.gov.on.ca/tribunals/lpat/about-lpat/>.

An additional separate administration fee of **\$150.00** per appeal and **\$25.00** per appeal for any additional related files is to be submitted to be made payable to the "**Treasurer of City of Mississauga**".

The notice of appeal form, the fee and all required documents will be forwarded by the Secretary-Treasurer to the Local Planning Appeal Tribunal. All further enquiries will be handled by the staff of the Local Planning Appeal Tribunal.

Once the Local Planning Appeal Tribunal has issued its Decision/Order to approve the severance and after all conditions imposed by the Local Planning Appeal Tribunal have been fulfilled within one year of the Board's Order, the Secretary-Treasurer of the Committee of Adjustment will issue a Certificate. (See "What happens after the meeting?" above.)

Other Powers of the Committee of Adjustment.

In addition to "Consent", the Committee of Adjustment has also been delegated the power to issue a "**Certificate of Validation**" and to give "**Approval for Foreclosure or the Exercise of Power of Sale**".

A "**Certificate of Validation**" is required where there has been or there is a violation of the *Planning Act* which affects the title of the land and the beneficial owner is not the "paper" title owner. Upon application, the Committee of Adjustment may issue a "Certificate of Validation" if the application complies with the Official Plan and the Zoning Bylaw. The Committee of Adjustment may also impose conditions which are to be fulfilled before the Certificate is issued.

An "**Approval for Foreclosure or the Exercise of Power of Sale**" with respect to a mortgage or charge is required where the mortgagee (owner) does not have the power to sell part of the land (because legal action has been taken against the "owner") and the mortgagor (the "bank") does not own all the land in order to be able to make an application for "Consent".

Upon application, the Committee of Adjustment may give "Approval of Foreclosure or the Exercise of Power of Sale" with respect to a mortgage or charge if the application complies with the Official Plan and the Zoning Bylaw.

There is no appeal to the Local Planning Appeal Tribunal from the decision of the Committee of Adjustment with respect to an application for a "Certificate of Validation" or the "Approval for Foreclosure or the Exercise of Power of Sale".
