### What is an application for Minor Variance?

The owner of a property or any person authorized in writing by the owner who has been denied a Building Permit, a Zoning Certificate of Occupancy, or is unable to comply with the provisions of the Zoning By-law may apply to the Committee of Adjustment by means of an "Application for Minor Variance" for relief from the Zoning By-law.

Minor Variances may be granted provided that, in the opinion of the Committee, the request is minor in nature, is desirable for the appropriate development or use of the land, building or structure and if in the opinion of the committee, the general intent and purpose of the Zoning By-law and the Official Plan are maintained.

The Committee of Adjustment is composed of seven (7) members, who are appointed by the Council of the City of Mississauga. The authority of the Committee of Adjustment is set out in the Planning Act (Provincial Statute).

### How do I apply?

If you wish to apply to the Committee of Adjustment you should obtain and complete the application form. The application form outlines the requirements for submitting an application for minor variance. The requirements include a site plan or survey which will indicate the location of the property, the setbacks of all buildings or structures on the property and sufficient information to clearly identify the variance required. The number and size of the site plans is outlined on the application form. If you are acting as an agent for the purposes of the application, a letter of authorization is required from the registered owner of the property. If you are acting as an authorized agent of the property owner to present the application at the public meeting, the appointment and authorization form is required.

The application package is available at the Committee of Adjustment Office, 2<sup>nd</sup> Floor, Mississauga Civic Centre, 300 City Centre Drive, Telephone: 3-1-1 or online at [www.mississauga.ca/portal/residents/cofa](http://www.mississauga.ca/portal/residents/cofa)

### How much will it cost?

The processing fee for a "Minor Variance" application to the Committee of Adjustment is noted on the first page of the application package.

The application fee is payable at the time the application is submitted. If the fee is paid by cheque, the cheque must be made payable to the "Treasurer of the City of Mississauga."

Note: Conservation Authorities (CVC, HRCA, TRCA) may require that an application review fee be paid by a separate cheque if the property is situated within an area under their control. Please contact the appropriate conservation authority.

What happens then?

The Committee of Adjustment office then prepares a Notice of Hearing which among other things describes the details of your requested variance and the date, time and place of the Public Hearing.

A notice sign is to be placed on the subject property by the applicant; as well, the notice is mailed to every owner within 60 m (200 ft.) of the subject lands at least ten days in advance of the Committee Hearing.

The notice is also distributed to all City Departments, Members of Council, other outside agencies, the property owner and the authorized agent (if any).

The applicant or authorized agent may request a copy of staff comments and any other comments received prior to the public hearing.

What happens at the hearing?

At the hearing you or your authorized agent will be required to make a verbal presentation of your case to the Committee. Please bring a copy of your plans with you to the meeting for your presentation. Plans should be a maximum 11"x17" paper format for the document camera. Presentations may also be made by any other interested parties in support of or in objection to your application.

The Committee considers all presentations for and against your proposal and renders a verbal decision in the presence of all interested parties at the time of the Public Hearing. An approval of your application may be subject to such conditions and/or restrictions as the Committee deems appropriate.

If an individual wishes to receive a copy of a Committee decision their request must be in writing. A form entitled "Request for Decision" is available at the Hearings or in the Committee of Adjustment Office.

To find out more about a particular application, call us for an appointment to visit our office and review the file.

What happens after the meeting?

A written decision from the Committee will be sent to the applicant, authorized agent and all persons that requested a copy of the decision within ten (10) days from the date of the hearing. At the end of the twenty (20) day appeal period, if there has been no appeal filed, the decision will become final and binding and a notice to this effect will be issued.

### Appeal Provisions

The decision of the Committee of Adjustment is subject to appeal within twenty (20) days from the date that the decision is signed. (Please note: The decision is signed one week following the hearing date). During the appeal period any person having an interest in the application may file an appeal of the Committee's decision to the Local Planning Appeal Tribunal (LPAT). The notice of appeal is filed with the Secretary-Treasurer of the Committee of Adjustment.

The notice of appeal must be in writing and outline the reasons for the objection. A certified cheque or money order, in the amount of \$300.00 per appeal and \$25.00 per appeal for any additional related files to the original appeal, made payable to "The Minister of Finance" must be included with a notice of appeal form which is available at [www.elfto.gov.on.ca/tribunals/lpat/forms](http://www.elfto.gov.on.ca/tribunals/lpat/forms)

An additional separate administration fee of \$300.00 per appeal and \$25.00 per appeal for any additional related files to the original appeal is to be submitted to be made payable to the "Treasurer of City of Mississauga" (By-law 0220-2018).

The notice of appeal, the fees and all required documents will be forwarded by The Secretary-Treasurer to the LPAT. All further enquiries will be handled through the Local Planning Appeal Tribunal (LPAT) staff.
