Application Breakdown

2018 culture project grants are intended to support events or activities showcasing how Mississauga is evolving and changing, while using spaces outside of traditional platforms. These projects must take place between January 1, 2018 and December 31, 2018. Projects should have a clearly defined objective and a distinct budget. Organizations can apply for up to 50% of their total project budget or $5,000, whichever is less.

Multi-faceted projects are encouraged. Each organization would be required to submit an application for different elements of the larger project. Each element must be able to stand on its own and should complement the larger project.

- Applicants can only receive Culture Projects funding for a maximum of two consecutive years.
- Applicants can only apply for one Culture Projects Grant a year.

Section A – Application Overview

Provide your organization’s main contact and mailing information. Should your organization be approved for funding this information will be used for all correspondence and any payments.

The second part of this section is to pre-qualify your organization for eligibility. Failure to submit each item on the dashboard will result in your application being considered incomplete and ineligible for funding.

If you need clarification on any of these items, please contact the Culture Division at grantsinfo@mississauga.ca or 905-615-3200 ext. 5476.

Section B – Project Description and Objectives

Please ensure you answer all the required questions in the project grant application. Your answers to these questions will be used to evaluate your eligibility. Do not change the order of the application.

In total, your response to questions B1 to B6 should not exceed the spaces provided for each question. Please attach all supplementary information with your application and clearly indicate which question number each attachment corresponds with.
Section C – Finances

Financial Reporting

Please complete the Financial Reporting section in its entirety. Provide brief explanatory notes of any significant budget changes / shifts between fiscal years or more detailed explanations of line items as they pertain to this section.

Financial Statements

Organizations applying for project grants must attach a detailed project budget, signed by two project members.

Section D – Governance

Please attach a list of all individuals involved with the organization of this project. This list should include: board members, committee members or members of the collective. This list must also include their contact information.

Signatures must be provided showing they have read and accepted the Terms and Conditions outlined on page 11 and in the application.
Application Process

The grant applications will be reviewed by staff for completeness and eligibility. All eligible applications are then forwarded to the Volunteer Peer Assessment Committee for evaluation. Each section of the application will be evaluated by the committee on an equal basis. The committee consists of practising arts and culture professionals and residents who are not directly involved with any organization that applied for funding. The assessment committee is responsible for recommending an organization for funding and at what amount. The recommendations will then be reviewed by the Commissioner of Community Services to ensure they are aligned with City priorities.

The final recommendations will be forwarded to Council and considered at a meeting of its General Committee in early 2018. All applicants will be notified of the final recommendation regarding their application prior to the General Committee meeting. Applicants may request to make a deputation to General Committee regarding the recommendation. A staff liaison will assist with arrangements. Lastly, General Committee’s recommendations are forwarded to Council for final approval. Organizations are notified in writing of the final grant amount following Council approval. Under normal circumstances, applicants are notified four months after the application deadline.
Volunteer Peer Assessment

The City of Mississauga is committed to using the peer assessment process to assess strategic alignment and organizational ability within its grant programs. This process is the preferred method of assessment among most granting agencies in Canada. The Peer Assessment Committee determines the grant recipients and funding amounts for each of the City’s grant programs. We encourage all organizations to participate in this process to ensure representation of Mississauga’s cultural and artistic diversity.

To be eligible for the Committee, you must be a practicing arts and culture professional or a community member with a background in community support. You cannot be directly involved with any of the Culture Grant programs or any organization currently applying for funding. The Volunteer Peer Assessment Committee is a four year commitment with its members being recommended by staff and approved by Council. The next Volunteer Peer Assessment Committee will be chosen to align with the 2019 to 2022 grant cycles.

To participate in the peer assessment process individuals must complete a Peer Assessor Nomination and Consent form. This form assists Culture Division staff in establishing a comprehensive list of potential peer assessors for the Volunteer Peer Assessment Committee. The form can be obtained by contacting the Grants Officer at grantsinfo@mississauga.ca.
