15th Annual Starlight and Candlelight Gala – WHAT A NIGHT!

Barb Smith

On Friday, February 21, 2014, the Friends of the Museums of Mississauga were proud to host their 15th Annual Starlight and Candlelight Gala at the City of Mississauga's newest event venue, the Holcim Waterfront Estate. This lovely, fully restored 1930s mansion, nestled on the shoreline of Lake Ontario in South Mississauga, provided the historic elegance and intimacy the Gala has become known for, and of which our 15th anniversary was worthy.

With only 56 tickets available, the Starlight and Candlelight Gala is the event of the season, with tickets selling out within two weeks of becoming available. Guests included local officials from all levels of government, business executives, residents and museum enthusiasts – all coming together for a memorable dinner party in a stunning dining room with a lakefront view!

The evening featured a wine reception, an exquisite meal prepared by the chefs of Michael's Back Door Restaurant, who have been faithful supporters of the gala since its inception and, one stop shopping at the Gala's impressive silent auction, a key part of our fundraising efforts. A new addition to the fundraising effort were Celebrity Mystery Bags featuring extravagantly decorated bags filled with mystery items donated by local celebrities such as Mayor Hazel McCallion, astronaut Chris Hadfield and blues artist Chuck Jackson. Everyone loves a mystery and our Gala guests rose to the challenge – frantically bidding on their celebrity of choice!

The evening was filled with glitz, glamour and good friends all helping to raise funds in support and celebration of Mississauga's history. Thanks to our guests and our many sponsors, the Gala raised nearly \$13,000.

As the 2014 Gala Chair, I would like to personally thank everyone who played a part in this wonderful evening. Simply put – whether you are a sponsor, guest, volunteer, Gala Committee member, Friends Board member or City staff - **the Gala cannot happen without you**. Your support is what makes the night a success.

WHAT A NIGHT!

Their Majesty's best turned out to ensure the safety and security of every guest!

Guests were thrilled when the doors to the gorgeous dining room were opened to welcome everyone in. Annemarie Hagan's historic silk gown was the perfect outfit for a formal evening at Holcim Waterfront Estate.

News

Mississauga City Council will change the location of its May 21 Council meeting to the Maja Prentice Theatre to acknowledge the City of Mississauga's 40th anniversary. The Maja Prentice Theatre was selected because the first meeting of the incorporated City of Mississauga Council was held in Ward 3 and the building and area have historical significance.

Maple Magic

A Taste of History

The Maple Syrup Festival held each March Break week at Bradley Museum has been the signature event of the Museums of Mississauga for many years. In 2014 overall attendance was down somewhat from recent seasons because of the very cold weather on 3 days. Indeed the event had to be closed on the Wednesday because of the snow storm! The By-the-Numbers chart shows exactly how inclement weather affects the Museums events, the critical importance of volunteer and sponsor participation for event success, and the dollar amounts generated from the various sources. Every volunteer hour and every sponsorship dollar is vital, and along with the Museums staff we sincerely thank each and every one of you for your generous contributions to Maple Magic again in 2014.

By-the-Numbers

Day	Guests	Weather	Volunteer Hours	
Sat Mar 08	261	- 20°C	Maple Syrup	861
Sun Mar 09	408	- 2°C	Single Servings	2,016

In addition to all the maple-related activities, family entertainment included the following:

- Horse & Wagon Rides
- Mississaugas of the New Credit
- Pauline Grondin Storyteller
- Norfolk Blacksmithing
- Mane Attractions Petting Zoo
- The Canadian Peregrine Foundation, compliments of Holcim (Canada) Inc.

Friends of the Museums of Mississauga is proud to be a major sponsor of Maple Magic, along with The Port Credit Community Foundation and Holcim (Canada) Inc.

On Tuesday March 11 several employees from Holcim (Canada) Inc. volunteered in the Pancake House cum Log Cabin. Barb Smith, Holcim Mississauga's Corporate Social Responsibility Coordinator, and Friends Director, is second from the left.

In the words of Annemarie Hagan, Manager, Museums and Traditions:
“Maple Magic is the busiest time of the year at the Museums. Our visitors love it and come back year after year. MANY thanks to the amazing team of Friends of the Museums Volunteers and Corporate Partner Volunteers who partner with the talented and hard-working part-time and full-time staff of the Museums to put on this great event.”

Restoration Project: main floor hallway at Benares Historic House

The strip hardwood was installed c. 1936 on the occasion of Barbara Sayers Larson's Sweet Sixteen Birthday.

When the carpet and a few strips of the hardwood were lifted, the original painted pattern of the floor boards was revealed.

The floor boards have been repaired, and the painted triangles pattern has been renewed.

The floor is now authentic to 1918.

A Very Special Thank You to Our Sponsors!

Two major grants have recently been received for the benefit of visitors to the Museums of Mississauga.

Suncor has provided the third of four \$5,000 annual grants to support educational programming. In 2014, this will be directed entirely towards the WWI re-enactment at Benares Historic House in September.

The Port Credit Community Foundation has provided \$10,000 to support museums events. This will be directed towards enhancements such as the Horse & Wagon Rides and Mane Attractions Petting Zoo at Maple Magic, and Reptilia at Historic Hallowe'en.

We sincerely thank Suncor and the Port Credit Community Foundation for their continual, generous support to help us engage volunteers to enhance awareness through promotion, participation, and fundraising; to ensure the integrity of the Museums.

Notes from MOMAC

I would like to thank the Friends of the Museums of Mississauga for the opportunity to share some updates from the Museums of Mississauga Advisory Committee (MOMAC). As you know MOMAC and Friends are closely related and share the same passion and commitment to the well-being and advancement of our Museums. However MOMAC's focus is slightly different; we are a committee of Council charged with advising the City on the Museums direction and strategy. I hope these brief notes are the beginning of a series which will keep everyone engaged in what we are doing.

Last year the City Council slightly changed our mandate as follows:

The Museums of Mississauga Advisory Committee (MOMAC) will provide input, guidance and support to the Manager, Museums and Traditions regarding the artifact collection and the future city-wide museum as a Committee of Council.

Just let that sink in. "the future city-wide museum". What does that actually mean?

As yet there are no firm plans and there is much work to do by everyone connected with the Museums. City staff are planning to start an engagement process with the citizens of Mississauga to get a better feel for what is wanted and how we can move forward. But even though it is early in the process, we have a clear statement of intent. As part of the Cultural Master Plan, the City of Mississauga is seriously considering how best to provide a city-wide museum. This new museum will not replace the wonderful jewels we have in Benares, Bradley and Leslie, but it will enhance what we can do, and create another way to engage more and more people in our community.

As we move forward, we will all need to be persuasive, and we will need to demonstrate a city wide enthusiasm for a new Museum. This project will need support from citizens, politicians and businesses if it is going to come to fruition. (In a future note, I will discuss how we can all help in generating that momentum). I hope you're all as excited by this as I am; it's a fantastic opportunity that we must turn into firm plans!

I look forward to sharing more of my thoughts with you in the next edition, and I would encourage you to contact me with any thoughts that you may have.
