

Garry W. Morden Centre

Dedicated to Fire and Life Safety

Emergency Training Programs and Amenities

**7535 – 9th Line
MISSISSAUGA ON**

The Garry W. Morden Centre offers extensive training in fire and emergency services by veteran instructors within a new, state of the art facility that includes high tech classrooms, road training track, mechanical bays, fire towers, propane props, confined space rescue and more. Take advantage of these comprehensive programs for your new recruits or access these state of the art amenities and props for specialized training of experienced personnel. The GWMC will meet your fire training needs.

For rentals and bookings contact:

Amenities

Whether there is a need for a one day refresher course or a full program of training, the GWMC boasts a varied menu of amenities and facilities.

- Smoke Tower for high-rise rescue
- Burn Building for multi-unit training
- Propane prop for live fire
- Circuit driver track with residential and highway props
- Auto Extrication prop
- Confined Space and Trench Rescue
- Haz Mat/Rail prop
- Pond for water/ice rescue
- Command Training Centre classroom

Multi-Purpose Driver Training Track

In partnership with the Peel Regional Police, the GWMC offers a circuit track that can be part of a comprehensive training program or for specialized driver training. The track features a fully signalized intersection and includes both highway and residential props.

Full day and half day rates are available for emergency services training as well as private commercial use.

From spacious lunch room to high tech classrooms, the GWMC is able to round out training programs with space to inform and unwind.

A full menu of services and rates are available at **garrymordencentre.ca**
