Mississauga women with a serious interest in women's issues and the peace movement are invited to participate in a trip being planned to the United Nations this spring.

Janis Alton, a Port Credit resident who is an executive member of the national women's group, Voice of Women, says there are 20 spaces available for the trip, which will take place during May.

As well as observation of the status of women in promoting the peace movement, visitors will have time to explore their individual interests at the U.N. in New York, says Alton.

The trip is estimated to cost about \$500 per person. Anyone interested can call Alton at 274-6191 or write to Voice of Women, 736 Bathurst St., Toronto, M5S 2R4.

The phone number is 537-9343.
