

DON BLENKARN

Tory *REF* wants *Dec. 7-11 AM* input

Mississauga South Federal Progressive Conservative candidate Don Blenkarn has issued a questionnaire asking residents to express their comments on regulation by government, representation, city-wide concerns, and monopolies.

The questionnaire is enclosed in a newsletter Blenkarn is attempting to send to every household in the Mississauga South riding.

He said he wants to get feedback because "I often feel that elected representatives lose sight of the concerns and attitudes of the constituents they represent".

Blenkarn said the reason for starting his questionnaire campaign long before any election appears to be in the offing is to "set up a dialogue that will better enable me to represent your views as a candidate leading up to and through the next federal election".

Those who have not received the questionnaire and newsletter yet and want to fill one out, one will be delivered by telephoning 278-6165.
