Meet Your Executive

This week we introduce to you the Secretary-Treasurer, Mrs. Alix Clegg.

Alix and her husband Eric came to Canada from Birmingham, England eight and one-half years ago, and after living in Long Branch for a few years came to Park Royal in June 1964.

Alix and her husband have never regretted coming to Canada and both have been very successful in their new venture. Eric is a partner in Mohawk Motor Bodies Corp. in Etobicoke and Alix is employed as a bookkeeper at the South Peel Hospital.

With Alix's capabilities as an accountant and her desire to work for the community, the Association was fortunate to have Alix join the Executive as Secretary-Treasurer in May 1965. Her work as Treasurer is a demanding one as this year the Association is operating with the highest budget ever.

Alix is a valued member of the Business Committee and a Director of the Association. Her duties as treasurer include the collecting and payment of all monies and keeping an accurate account of all expenses. Budgets financial reports and year-end statements are her responsibility.

While the Association occupies a lot of her spare time, Alix enjoys badminton, table tennis and reading. An enthused Bingo player, she also finds time for bowling with a league from the South Peel Hospital.

Alix's superb personality and unlimited enthusiasm makes her a delightful person to talk to and work with and as a former Avon Representative she enjoys meeting people. She loves to go to a party and always enjoys herself.

Alix and her husband Eric, and son Stephen 4, live at 1621 Hobbs Crescent in Park Royal.

Next week: Mrs. Peg Morris, Recording Secretary.
