### Getting set for a smashing time

Ralitza Doneva, a dynamic young tennis star from Bulgaria, and 7-year-old Cystic Fibrosis Foundation representative Sarah Gordon pose with a super-oversize racquet to promote this year's SunLife Nationals, which will be held at Mississauga's Ontario Racquet Club July 3-11. Doneva will be competing in the \$100,000 national closed championships for the first time. For details, turn to page L7.
