Local author Kathleen Hicks has compiled columns she wrote over 20 years for *The Mississauga News* into her latest book, *VIPs of Mississauga*. The book costs \$30 and sales have been brisk since it hit the stands in December. To purchase a copy, call Hicks at 279-9107 — she'll even autograph it for you. Hicks, who has been writing for more than 30 years, said the book may well be included in Mississauga's upcoming 25th anniversary celebrations.
