A Mississauga photographer has been awarded one of the highest honors possible in his field.

Port Credit resident Bert Hoferichter was recently awarded the Master of Photography degree by the Professional Photographers of America (PPA).

The degree was granted to Hoferichter for "superior photographic competence and techniques" and was conferred at the annual awards banquet held at the Dallas Convention Centre.

Hoferichter obtained merits toward his degree through photographs, motion pictures, visual aids, engineering reproductions and other photographic accomplishments selected by a jury of professional photographers.

Hoferichter operates Bert Hoferichter Photography Ltd. on Lakeshore Rd. in Port Credit.
