# Roy Ivor in hospital

Mississauga's famous  
birdman, Roy Ivor, is in  
hospital and reported to be  
progressing well.

Mr. Ivor, 94, was admitted  
to Mississauga Hospital two  
weeks ago and placed in the  
intensive care unit.

He was reported, Monday,  
to be out of the ICU but will

probably remain in the  
extended care unit for a  
while longer.

Lauri Prey, who has been  
filming Mr. Ivor during the  
summer, told The  
Mississauga News, he is not  
sure what is plaguing Mr.  
Ivor and the information has  
not been let out yet by  
doctors.
