The auditorium at the new River Grove Community Centre will bear the Kaneff name, after the well-known Mississauga developer and philanthropist donated \$20,000 to the cause.

The River Grove centre opened a year ago and has accommodated 200,000 visitors to date.

The Kaneff Auditorium hosts large social functions as well as basketball, volleyball and badminton for youths, adults and seniors.

The centre, located at 5800 River Grove Ave., also boasts a swimming pool and a fitness centre.
