**Keary honored
by engineers**
Oct. 31 - 90 MN

C. Douglas Keary, P.Eng., has received the Professional Engineers Citizenship Award for his involvement with the Ontario Track Three Ski Association for the Disabled.

The award was presented by the Association of Professional Engineers of Ontario to Keary who is the chairman of The Northsted Group Limited, Mississauga.

Since becoming an association director in 1986, Keary has helped involve more disabled ski enthusiasts with a wider variety of disabilities including spina bifida and cerebral palsy.
