PARK ROYAL — Mrs. Arlyn Keast of the Park Royal Community Association comes from Cornwall, England.

The Keast family came to Canada in 1957 and after a few years in Long Branch moved to Park Royal in 1962.

The need of every community for capable volunteer help persuaded Arlyn to serve on the executive of Willow Glen Home and School Association during 1963. In May, 1965, Arlyn was elected to the board of directors of the association and to the executive as an area representative.

As an area rep., Arlyn represents one of the 13 districts in Park Royal to keep the residents informed of community activities. Arlyn also serves on the dance committee and takes an active part in all the association dances.

Arlyn and her husband Claude, who is employed as the assistant service manager at Mack Truck Manufacturing, have now found the enjoyment of camping and use their "fold-away-camp-trailer" extensively during the summer months. Reading, knitting and bowling are among her other interests. Being from Cornwall, she admits she loves, and misses, the sight and sound of the sea.

Arlyn, her husband, Claude, and their four boys, Michael, 11, Grenville, 10, David, 8, and Phillip, 2, live at 2469 Brookhurst Road in Park Royal.
