Nurseryman Passes Away

MISSISSAUGA NEWS, MARCH 2, 1966
LORNE PARK—(Special)

—Many long time residents of the district, particularly those who are gardeners, read with sadness of the passing of one of South Peel's outstanding nurserymen, David Julius Lundgren at Peel Memorial Hospital, Brampton, on the weekend.

A native of Sweden, Mr. Lundgren brought his outstanding skill in growing things with him from his native land. His grounds and greenhouses on Indian Rd. where he lived for more than 30 years, displayed such a colorful variety of annuals, perennials, shrubs, trees, fruits, evergreens, vegetables and vines that customers came back year

after year from many distant points.

Mr. Lundgren was an adherent of Lorne Park Baptist Church.

He leaves his widow, Agnes B. Blom, two daughters, Solveig of Toronto, and Elsa (Mrs. F. Jewell) of Cobourg, also three grandchildren and a brother, William, in Sweden.
