Marland Aug. 30-31 MN **honorary** **Rotarian**

Mississauga South MPP Margaret Marland will become the first honorary member of the Mississauga City Centre Rotary Club next Tuesday.

"It is a pleasure and an honor to accept the kind invitation of the Mississauga-City Centre Rotary Club to become their first honorary member," Marland said in a statement. "I have always been strongly committed to the Rotary motto of service above self."

Marland's induction will continue a family tradition of Rotary involvement. Her husband, Ken, has been a Rotarian for 34 years and is past president of the Port Credit Rotary Club. This year, he was named a Paul Harris Fellow, Rotary International's highest recognition of service.

The Marlands' daughter, Ruth, served as president of the Rotoract Club of Mississauga, Rotary's youth wing, for four years.

The City Centre Club was an all-female group when it received its charter. Since that time, one male member has joined.
