Park Royal Community Assoc.

Meet Your Executive

MISSISSAUGA NEWS, DEC 29, 1965
No. 7 of series - by Teepee

This week the Association will introduce to our readers Mr. Ron Mills, one of the Area Representatives. Ron and his family came to Park Royal in 1960 and he soon found himself active in the Association. During 1961, when the Association had a small executive and often looked for help from the membership, Ron was appointed as Chairman of the Christmas Lighting Competition for that year. He continued to assist in various duties and in May, 1962 was elected to the executive as an Area Representative, the position he has held ever since.

During his term of office, Ron has served as Chairman of Christmas Lighting, Chairman of Area Representatives, Chairman of Field Day draw and this year Ron is Chairman of Recreation for the Association. As an area representative, he distributes the monthly newsletters to the homes in one of the 13 districts in Park Royal. He is the representative for that area and it is his duty to keep the members in the area informed of community projects and act as the "go-between" for the members and the Association.

At recreation night on Tuesdays, Ron is a member of the highly successful table tennis team, the "PARK ROYALS", who are entered in the table tennis tournament operated by the Toronto and District Table Tennis Association. Ron is also the Captain of the leading team in the Park Royal Men's Bowling League and also finds time for other hobbies which include fishing, swimming, gardening and golf...and golf...and golf. Ron was a runner-up in the recent golf tournament operated and sponsored by the Community Association last September. All of these activities apparently do not give Ron enough exercise, so his dog "Skip" takes him for a walk every night.

Ron is employed as a salesman or "Customer's man" by the stock brokerage firm of Moss, Lawson & Company Ltd., members of the Toronto Stock Exchange. Ron is well informed on all aspects of stocks and securities and is capable of giving good recommendations to his customers.

Although these activities keep Ron quite busy, he is really a family man at heart. Ron and his wife Jan, mother-in-law and three children, Debbie 8, Danny 5 and John Fitzgerald 1, live at 2687 Truscott Drive in Park Royal.

Next week: Mr. Al Richards, Membership Chairman.
