MP's office picketed

Lorrie Mitoff and Ron Bonora of the Council of Concerned residents on Expansion at Pearson Airport protest Mississauga West MP Carolyn Parrish's apparent reversal on the issue of adding a north/south runway at the Malton airport. The CCR says Parrish is breaking an election promise to oppose the additional runway, and plans to hold regular pickets at Parrish's office. Letters outlining the CCR's complaints and those of others who are against adding a runway appear on page 4.
