Order of St. John award Paznar, Frank

More recognition for citizen Paznar

Mississauga's reigning Citizen of the Year, Frank Paznar, was the recipient of another award recently.

This one came in Ottawa, where Canada's governor-general, Mme. Jeanne Sauve, presided over a private investiture, admitting the senior vice-president of Mediacom Inc. as a Serving Brother with the Order of St. John.

Each year, the Order of St. John honors Canadians like Paznar for their outstanding contribu-

tion as volunteers with the order. Paznar was recognized for his volunteer efforts with the St. John Ambulance Association and Brigade.

Four other Mississauga residents were also recipients of recognition — Ling-Ling Huang, James Albert Hughes, Thomas Obright and Patricia Staniewcki.

All awards receive royal sanction by Queen Elizabeth II, the sovereign head of the order.
