Mississauga's Michael Peca has been one busy guy since he returned from the Czech Republic last week with the gold-medal-winning Canadian Junior National Team. On Friday he played with his regular junior team, the Ottawa 67s, against Peterborough. On Saturday he was back at Maple Leaf Gardens to accept kudos from the fans along with some of his national squad teammates. And on Sunday he was playing in Buffalo for the NHL Vancouver Canucks as an emergency call up to fill in for injured forward Cliff Ronning. We caught him back home yesterday morning, where he posed with his gold medal with 15-year-old brother David and mother, Kim. Tomorrow, it's back to Ottawa. Whew!
