

RON SEARLE

Searle chosen chief of Ontario housing

Mississauga's
challenger Ron Searle has been
elected president of the Association
of Ontario Housing Authorities.

Previously, Searle, a former
mayor of Mississauga, was acclaimed
as chairman of the Central Zone
of the association at its annual con-
ference in Thunder Bay.

The Peel Regional Housing
Authority is one of 61 local housing

authorities in the province charged
by the Ministry of Municipal Affairs
and Housing with the responsibility
of administering the vast \$4-billion
assisted housing portfolio in that
jurisdiction.

These portfolios provide rent-
geared-to-income housing for senior
citizens, the handicapped and an
ever-increasing number of families
unable to secure affordable ac-
commodation.
