NOT FOR CIRCULATION

A Mississauga woman who recently graduated in mechanical engineering from the University of Waterloo has been selected the first recipient of the John Fisher Award for leadership.

Jennifer Thiers, a graduate of Cawthra Park Secondary School, has won the award from the Sandford Fleming Foundation, a group of senior faculty members in Waterloo's faculty of engineering.

Jennifer, whose parents live on Cumberland Dr. in Port Credit, has accepted a position with Procter and Gamble Incorporated in Belleville, Ont.
