WATKINS, GEORGE

World-traveling artist paints closer to home

Peel Region Biog. BK

Aug. 16-78 MN

World traveler George Watkins settled in a home on Knareswood Dr., Mississauga 11 years ago, and worked on the hobby which he has followed in 30 countries. Watkins, an Australian, is an artist.

As a young man he hitch-hiked the world, and sketched what he saw. He still travels, as vice-president of design for Ontario Store Fixtures, Inc. which designs retail outlets and furnishings. Watkins still sketches.

But an exhibition of his work at Port Credit Library from Aug. 19 to Sept. 9, is staying close to home.

Entitled Port Credit today and yesterday, the exhibition will have 30 of his works in oil and

watercolor.

Port Credit Library, located at 20 Lakeshore

Rd. E., is on Hwy. 2, west of Hwy. 10 and east of the Credit River.
