

## NOTICE OF CONSTRUCTION START

### Highway 403 Rehabilitation from Winston Churchill Boulevard to Central Parkway Ministry of Transportation Contract 2017-2003

The Ministry of Transportation (MTO) is rehabilitating the Highway 403 and Winston Churchill Boulevard Underpass, the Highway 403 and Central Parkway Overpass, and the Highway 403 and Credit River Overpass (see Key Plan below); along with the resurfacing of Winston Churchill Boulevard within the MTO property limits. AECOM has been retained by the MTO as the Contract Administrator for this project. The construction Contractor is Clearwater Structures Inc.

Construction for this project is anticipated to commence in June 2017 with completion scheduled for the fall of 2018. In order to facilitate the rehabilitation work, there will be lane reductions on Winston Churchill Boulevard, and lane closures on Highway 403 and the interchange ramps during off peak hours.

Construction signs will be in placed to notify motorists of upcoming closures. When necessary, signed detours will be provided.

If you have any questions or require further information, please contact:
