

The City of Mississauga, in partnership with the Region of Peel, is conducting a Schedule 'C' Class Environmental Assessment (Class EA) study for Mavis Road from Courtney Park Drive West to Ray Lawson Boulevard to address existing and future 'multi-modal' transportation conditions.

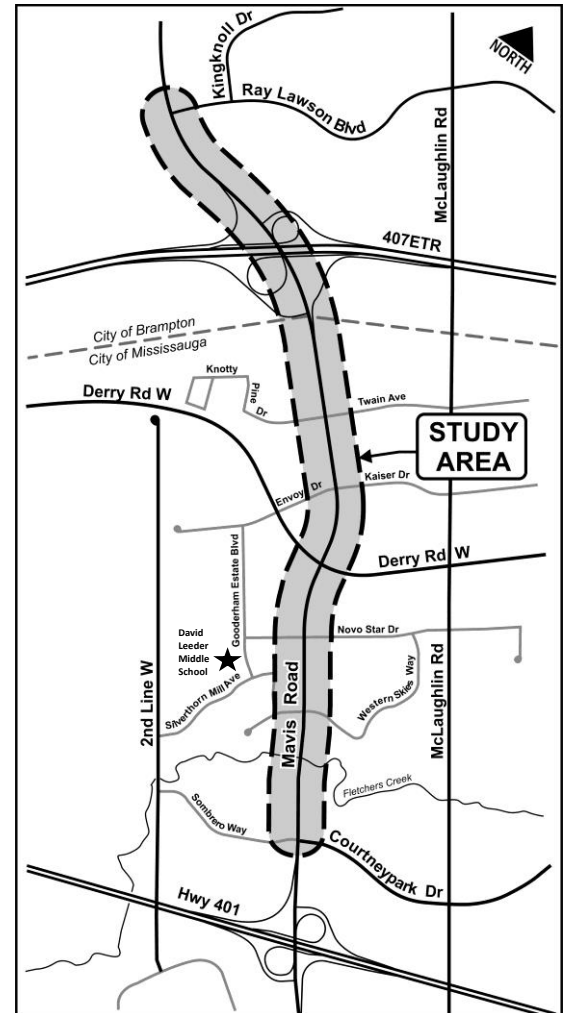

Within the City of Mississauga, Mavis Road consists of four travel lanes, raised median, sidewalks on both sides and some sections of multi-use trails. Within the City of Brampton, Mavis Road is a Regional Road (18) and has recently been widened to six lanes from Steeles Avenue to south of Ray Lawson Boulevard, with a multi-use path on the west side and sidewalk on the east side.

This Class EA study will examine how traffic operates both now and in the future, and will identify ways to address current and future needs to best serve a variety of users including motorists, transit users, pedestrians and cyclists.

Public Engagement and Consultation:

Two Public Information Centres (PICs) will be held to review the study findings and receive public feedback. The first PIC is scheduled for **June 14, 2016** to provide members of the public with an opportunity to meet the project team, review the study scope, existing conditions, need and justification, planning alternatives, preliminary street design concepts and next steps in the study. Public input to the study at PIC1 will be used to confirm a suitable planning solution for Mavis Road. The PIC will be held as follows:

Date: Tuesday June 14, 2016
Time: 5:30 pm to 8:00 pm Drop-In Centre
Location: David Leeder Middle School
 6900 Gooderham Estate Boulevard, Mississauga ON

How to Provide Input:

Public consultation is a vital component of this study. Learn about our work on the City's website at: www.mississauga.ca/mavisroadea and then please share your thoughts with us (see contact details below) or by completing a comment sheet after the PIC, available on our study website. Comments will be considered throughout the planning process.

If you have any questions or wish to be added to the mailing list please email the project team at mavisroadea@mmm.ca or by contact the following team members:
